## CHAPTER 1: Introduction

The purpose of this document is to guide you as a provider through the process of entering your profile information free of charge into CAQH ProView™ to meet a variety of data needs of health plans, hospitals and other healthcare organizations. It also defines the steps to authorize, attest and maintain your data profile through the re-attestation process.

### **CAQH ProView Overview**

CAQH ProView is the healthcare industry's premier resource for providers to self-report professional and practice information to payers, hospitals, large provider groups and health systems. CAQH ProView eliminates duplicative paperwork for these organizations that may require provider profile information for claims administration, credentialing, directory services, and more.

Through an intuitive, profile-based design, you can easily enter and maintain your information for submission to your selected organizations. CAQH ProView can be accessed at <https://proview.caqh.org/pr>.

The following steps provide you with a high-level overview of the process to complete your data profile.

1. Register with the system.
2. Complete all application questions.
3. Review your data profile for accuracy.
4. Authorize participating organizations access to your data profile.
5. Attest to your data profile.
6. Upload your supporting documentation.

This document will provide additional information and helpful tips for each of these steps.

### **Getting Started**

Completing the initial CAQH ProView profile may take up to two hours; however, preparing yourself for the information requested will reduce the time required to complete your profile. Additional time may be required depending upon several factors, including the number of practice locations, amount of postgraduate training and work history, and overall familiarity with online tools and systems.

While CAQH ProView was designed to be compatible with most Internet browsers, we recommend upgrading to the most current version of Internet Explorer, Chrome or Safari, and using one of these browsers for the best performance.

If your practice has an office manager or clinic administrator who assists with gathering information for credentialing or other administrative purposes for multiple providers, the [CAQH](#)

[ProView Practice Manager Module](#) may facilitate your data entry process. Data that is the same for multiple providers (e.g., clinic name, address and phone number) can be entered once by a practice manager, rather than having to be entered repeatedly for each individual provider. Please refer to *Chapter 7: Importing Data from the Practice Manager Module* for more information regarding this functionality.

### **System Security**

The confidentiality and security of provider information and the privacy of system users are critical priorities for CAQH. CAQH has implemented information security policies, standards, guidelines, processes, procedures, and best practices to strengthen its security program and to protect its information assets. CAQH ProView is designed to be compliant with laws and regulations relating to the privacy of individually identifiable information.

The CAQH ProView solution is housed in secure datacenters where multiple physical and electronic safeguards are implemented. Secure Internet access to application screens, use of passwords and certificates are used to help ensure only authorized use of the system. Powerful Transport Layer Security (TLS) encrypts the data in transition; the database content is also encrypted at rest and in backup to prevent unauthorized access to CAQH ProView. Only authenticated users have access to their restricted data. Virus detection mechanisms are used to help ensure that the database and the websites are free of viruses. Routine encrypted back-ups protect volatile system data and are secured in an off-site storage facility.

## CHAPTER 2: Registration

Registration is required for all providers to obtain access to CAQH ProView.

### New Users

If you received an introductory email from CAQH ProView, select the link contained in the email to begin the registration process using the CAQH ID provided. Refer to “Creating a CAQH ProView Account” on page 6 of this guide for the next steps in the process.

### Existing UPD Providers

For providers who were previously registered with the CAQH Universal Provider Datasource (UPD), go to CAQH ProView at <https://proview.cagh.org/pr>. You can initially sign-in with CAQH ProView by entering your existing UPD username and password and clicking “Sign in”. You may be prompted to update your username and password at this time. Refer to “Creating a CAQH ProView Username and Password” on page 7 of this guide for the next steps in the process.

Welcome to CAQH ProView™, formerly the Universal Provider Datasource®.

CAQH ProView is more than a credentialing database. Available at no cost to you, CAQH ProView eliminates duplicative paperwork with organizations that require your professional and practice information for claims administration, credentialing, directory services, and more.

Through an intuitive, profile-based design, you can easily enter and maintain your information for submission to your selected organizations. Help reduce inquiries for your administrative information and save even more time by keeping your CAQH ProView profile complete and up-to-date. Ensure that the healthcare organizations you authorize have instant access to accurate, timely information.

#### **GETTING STARTED**

CAQH ProView is the healthcare industry’s premier resource for self-reporting professional and practice information to health plans and other healthcare organizations. Through an intuitive, profile-based design, you can easily enter and maintain your information for submission to your selected organizations. The system eliminates duplicative processes to collect provider demographic information required to support, credentialing, directory services, claims administration and more.

CAQH ProView is a timesaver over traditional paper application submissions and includes the following helpful features to expedite data collection and maintenance to support credentialing and other key industry functions:

- Drop-down selections for select fields and sections (ex. medical schools, hospitals)
- Required and suggested fixes to ensure a complete profile prior to attestation
- Auto-save feature as you move from screen to screen
- Field formatting and data validation to avoid errors
- 24x7 access to the website, and customer support representatives for assistance
- Extensive help and FAQ content to provide guidance on how to complete the profile sections

Completing the initial CAQH ProView profile may take up to two hours, however once a profile is complete ongoing maintenance is easily performed through a streamlined reattestation process. Follow the suggestions below to prepare for the information that will be requested and to reduce the time required to complete the profile. Additional time may be required depending upon several factors, including the number of practice locations, amount of postgraduate training and work history, and overall familiarity with online tools/systems.

#### **BEFORE YOU BEGIN**

The following suggestions may allow for easier and faster completion of the CAQH ProView profile:

- Familiarize yourself with the **type of information** that the profile will require.
- Familiarize yourself with the **required steps** to complete the CAQH ProView profile.
- Have the **proper materials** available for reference when you start.
- If your practice has an office manager or clinic administrator who assists with gathering information for credentialing or other administrative purposes for multiple providers, the **CAQH ProView Practice Administrator Module** will make data entry easier. Data that is the same for multiple providers (e.g., clinic name, address and phone number) can be entered once, rather than having to be entered repeatedly for each individual provider.

**If you already have a CAQH Provider ID, please click [here](#). Otherwise, please click the Next button below to register.**

**If you are a dentist, please first sign-in or register via [www.ada.org](http://www.ada.org) and follow instructions to submit a credentialing application via CAQH ProView from ADA’s web site.**

**Thank you for your participation.**

**Go to next section** **Cancel**

To establish a CAQH ProView account, you will be required to enter a name, provider type, primary practice state, birthdate, email address, and at least one personal identification number. You will then receive an email with your CAQH Provider ID and a link to complete your provider registration.

### **Creating a CAQH ProView Username and Password**

CAQH ProView users may be asked to create a new username and password to meet CAQH ProView requirements. Usernames in CAQH ProView must consist of 8 characters and can be any combination of numbers and/or letters. Special characters like # or @ are not allowed.

**FIGURE 06**

The screenshot shows a registration form titled "Establish Your CAQH ProView Account". Below the title is a sub-header: "To set up your CAQH ProView account, please enter a username, password, and answer the security questions below." The form is divided into two main sections. The first section is titled "Please enter a username" and includes the instruction: "Your username must be at least 8 characters. It can be made up of numbers and/or letters, but it cannot include special characters like @ or #." Below this is a text input field labeled "Username \*". The second section is titled "Please enter a password" and includes the instruction: "Your password must be at least 8 characters and cannot be the same as your username. If your old password meets these requirements, you may enter it here." Below this are two text input fields: "Password \*" and "Re-enter Password \*".

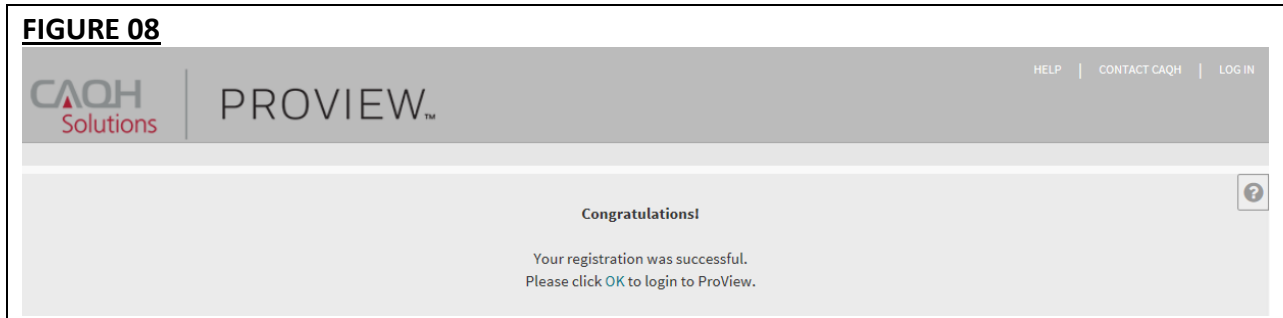

CAQH ProView users will also be asked security questions to facilitate account access in case of a forgotten username and/or password. Select three security questions and provide unique answers for each. By checking "I Agree" at the bottom of the page, you adhere to the terms and conditions, which can be accessed by selecting the "See Terms and Conditions" hyperlink. Then select "Create Account".

**FIGURE 07**

The screenshot shows the security question selection and agreement section of the registration form. It features three rows of security questions. Each row consists of a dropdown menu labeled "Security Question 1: (required) \*", "Security Question 2: (required) \*", and "Security Question 3: (required) \*", each with a "--Select--" option and a dropdown arrow. Below each dropdown menu is a text input field labeled "Security Answer 1 \*", "Security Answer 2 \*", and "Security Answer 3 \*". At the bottom of the form, there is a blue hyperlink "See Terms and Conditions", a checkbox labeled "I Agree", and a blue button labeled "Create Account".

Click "Create Account" and you will receive confirmation that your CAQH ProView registration was successful.

## Retrieve Username

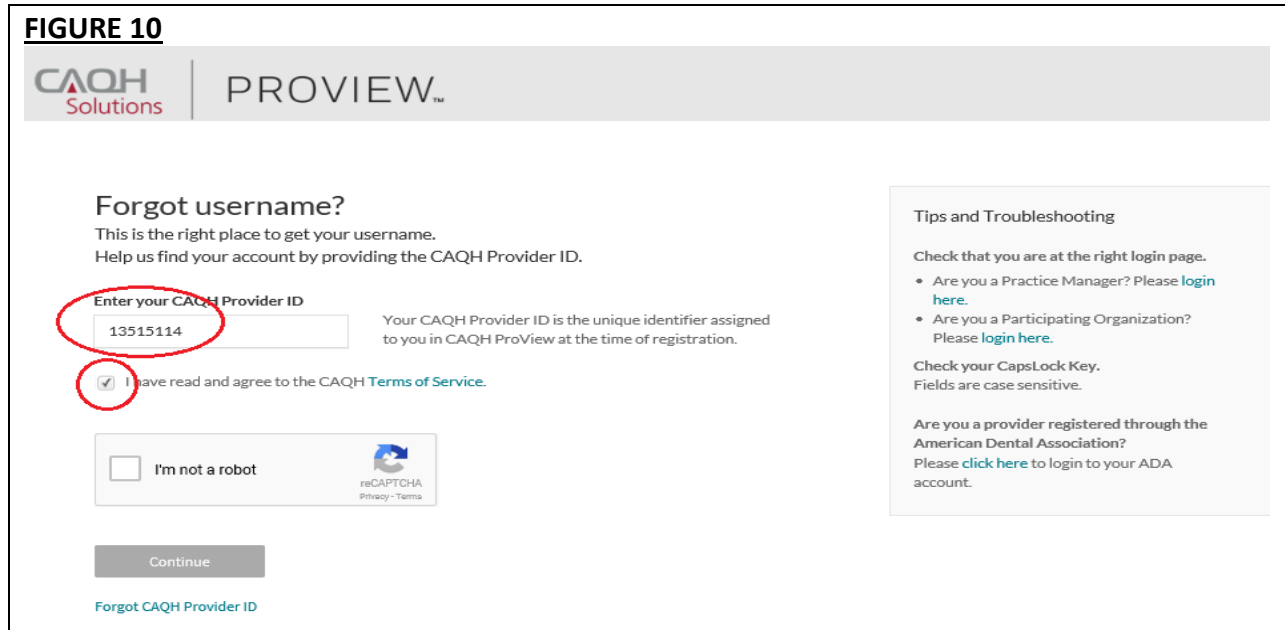

1. If you have forgotten your username, go to CAQH ProView login page and click *Forgot Username*.

**FIGURE 09**

2. You will be prompted to enter your CAQH Provider ID number to retrieve your username. Your CAQH Provider ID number is the unique identifier assigned to you in CAQH ProView at the time of registration. Enter your CAQH Provider ID number. Click the checkbox indicating that you have read and agree to the CAQH Terms of Service.

**FIGURE 10**

3. Click the checkbox to confirm you are not a robot. You'll be asked to select images based on the instructions shown on the page, then click *Verify*.

**FIGURE 11**

This page also shows some tips for troubleshooting.

**FIGURE 12**

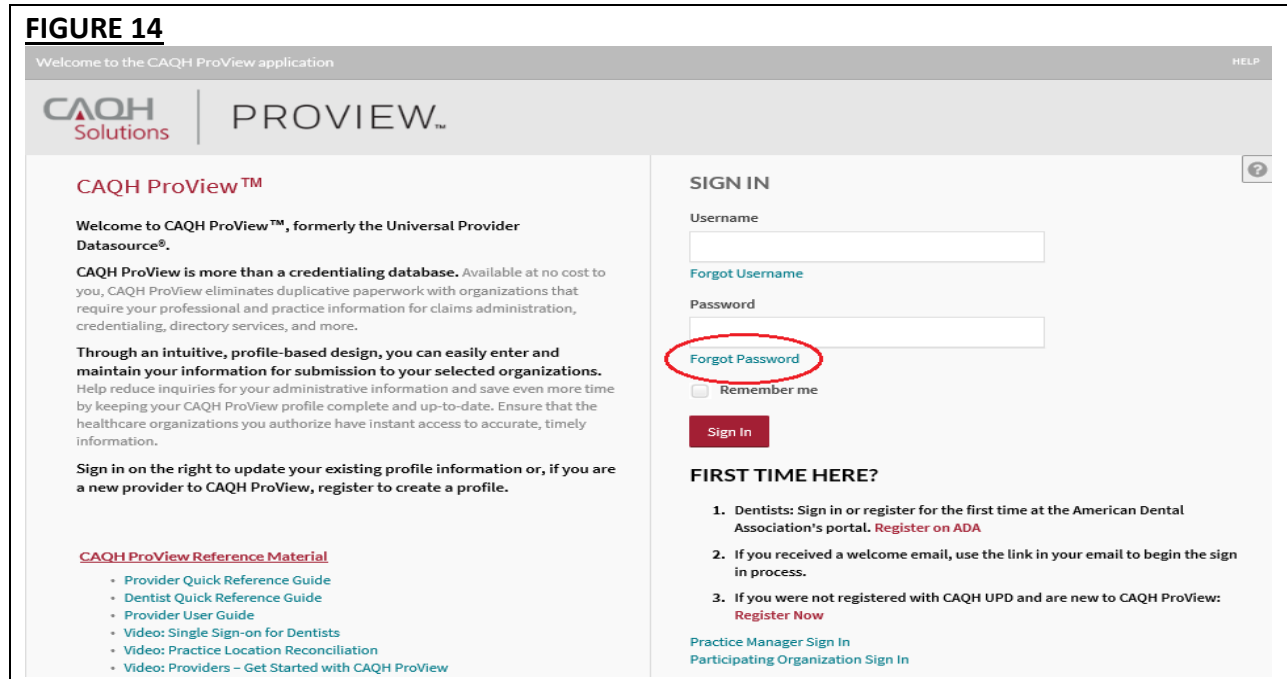

4. Click *Continue*. Your username will be displayed on the screen together with your CAQH Provider ID number and the primary e-mail address listed on your account. You have the option to save it as a PDF file. If you know your password and you'd like to proceed to the sign-in page, click "Log In".

**FIGURE 13**

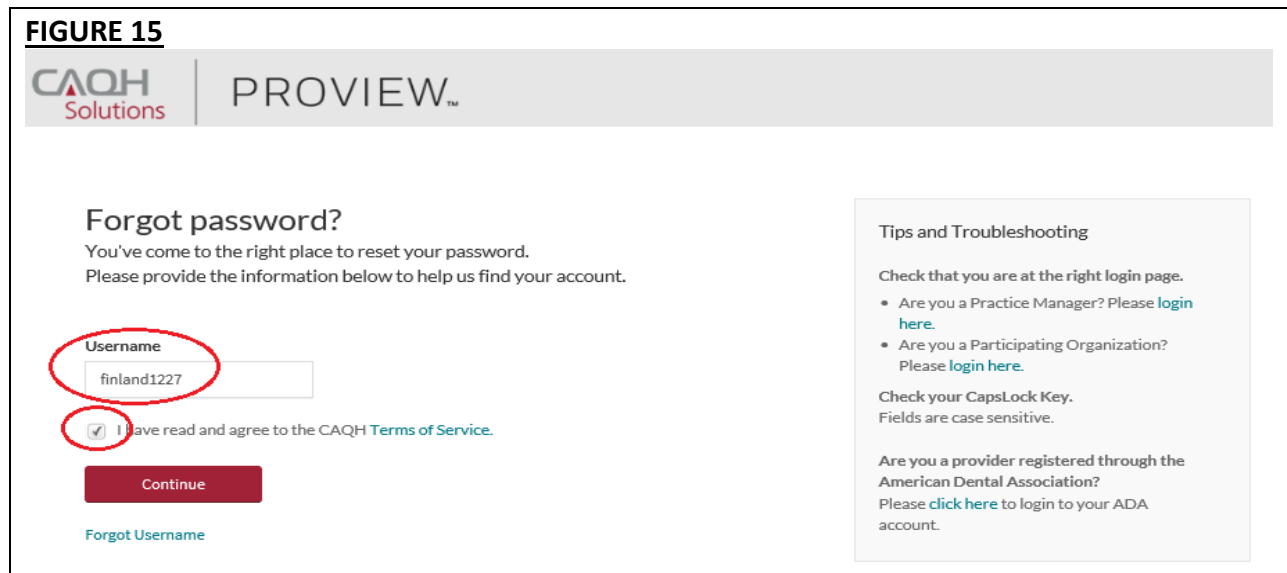

## Reset Password

1. If you have forgotten your password and need to reset it, you may click the *Forgot Password* button from the screen above or the *Forgot Password* link on the log-in page.

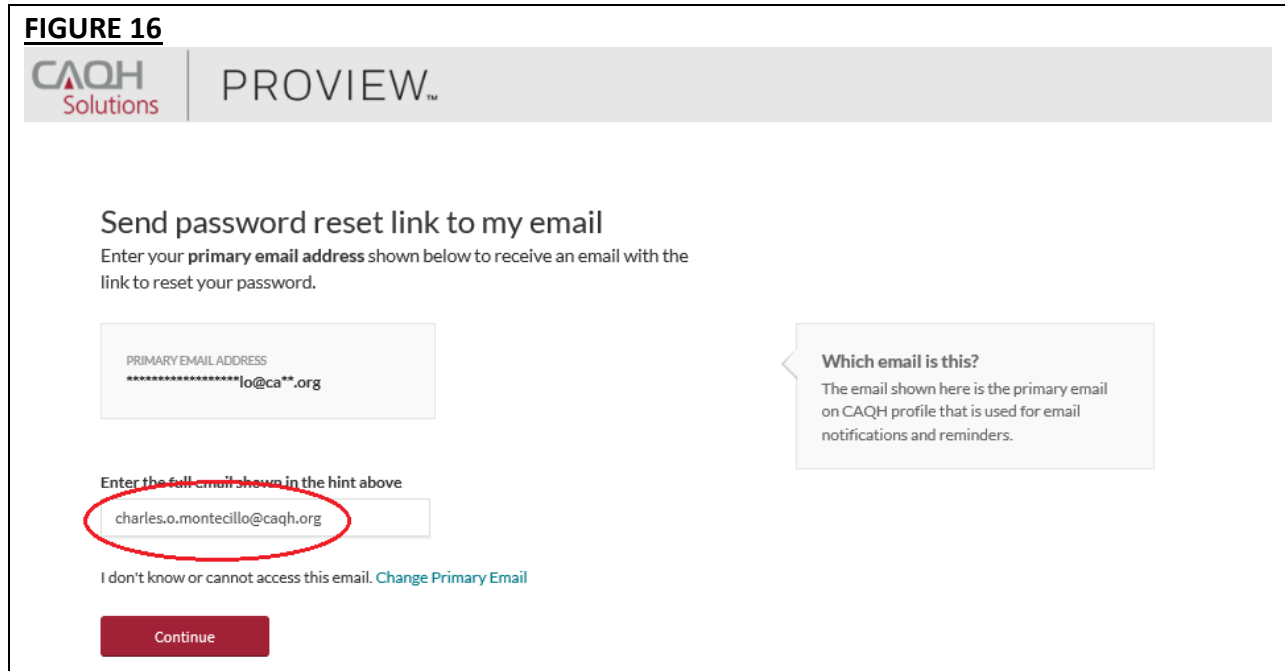

2. You will be prompted to enter your username to be able to proceed. Click the checkbox indicating that you have read and agree to the CAQH Terms of Service, then click *Continue*.

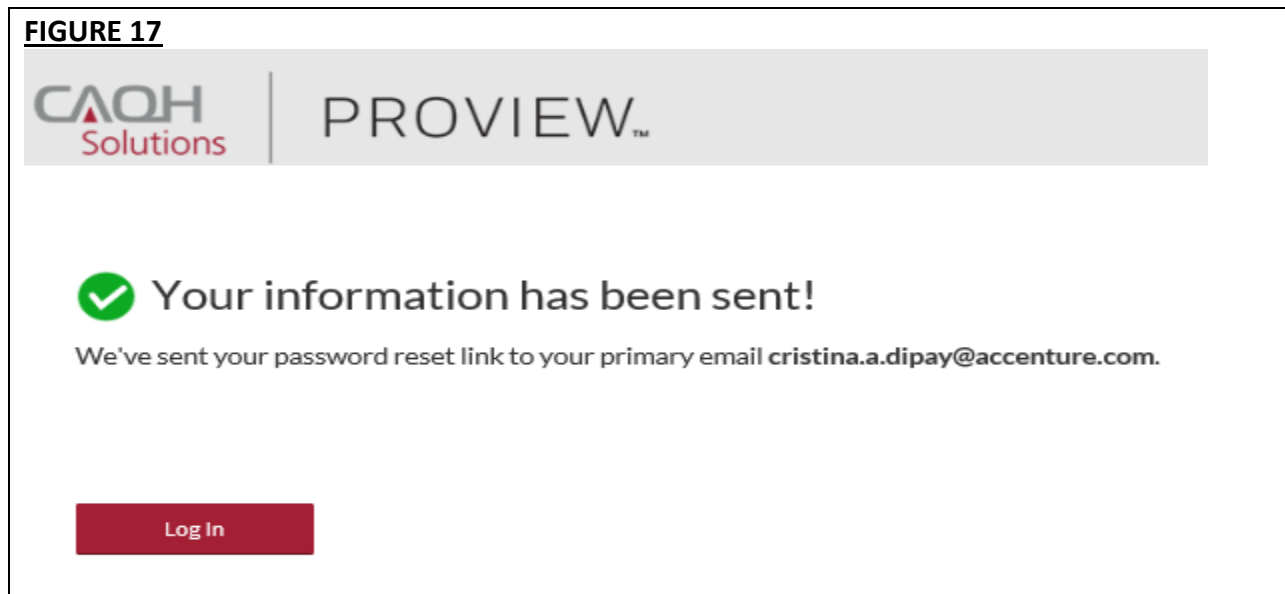

3. You will be directed to a page where you need to enter your full e-mail address based on the hint shown on the screen. The e-mail shown here is the primary e-mail address on your CAQH ProView profile where email notifications and reminders are sent. Click *Continue*.

**FIGURE 16**

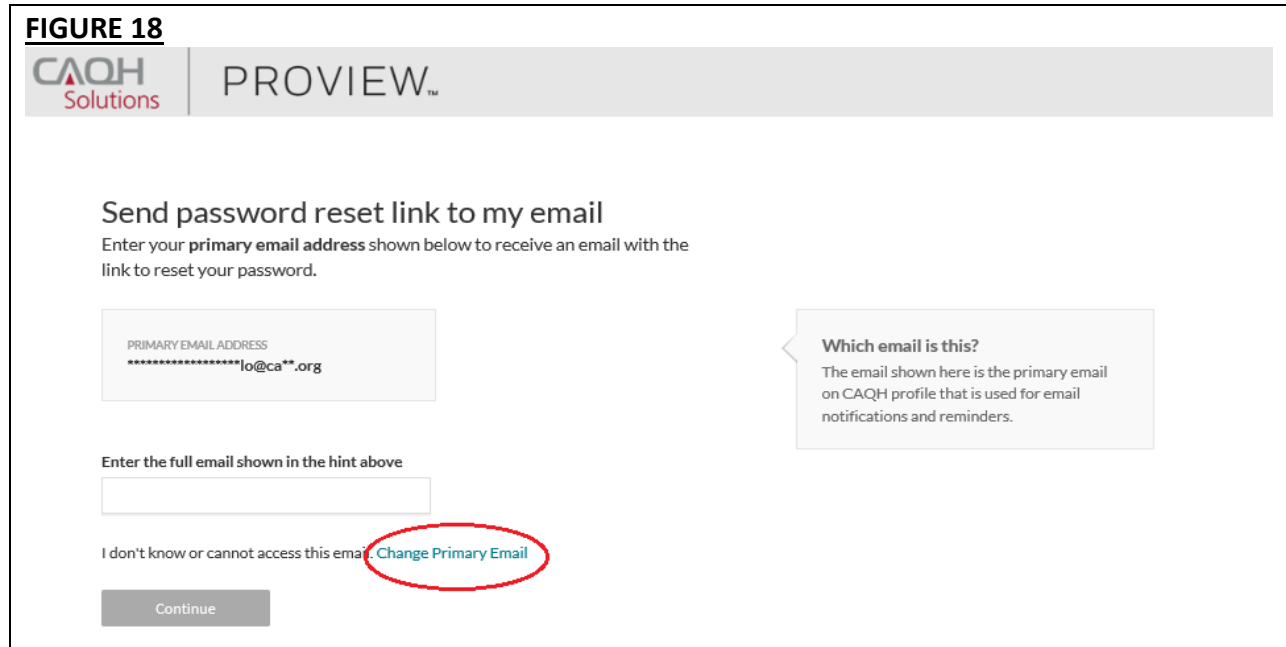

An e-mail containing a link which will allow you to reset your password will be sent to the primary e-mail address we have on file.

## Reset Password

1. If you are trying to reset your password and you don't know or don't have access to the primary e-mail address on file, click the *Change Primary Email* link.

2. You will be directed to a quick security check. Answer any three questions on the page. You will be able to click the *Continue* button found at the bottom of the page only if three questions were answered.

3. You may enter the last four digits of your *Social Security Number*. If you have a *Board Certification*, click the radio button for “*I have Board Certification*”. You will be asked to enter your *Provider Type* and the *Name of Certifying Board*. You may also enter your *Professional Liability Insurance Expiration Date* and/or your *Professional Liability Insurance Policy Number*. The policy number must be entered exactly as it is shown on your policy face sheet. This may include alphabetical and special characters, as well as leading zeros. Once any three questions were answered, the *Continue* button will turn red and you will now be able to click it. Click *Continue*.

**FIGURE 20**

The screenshot shows the 'Quick security check' interface within the CAQH ProView system. The header includes the CAQH Solutions logo and the word 'PROVIEW'. The main heading is 'Quick security check' with a sub-heading: 'We just need a few more things to verify your account. Answer any three questions.' The form contains four questions, each marked with a 'Q' icon:

- Question 1:** 'Enter the last four digits of your Social Security Number.' The input field contains four dots.
- Question 2:** 'Select your Certifying Board.' It has two radio buttons: 'I have Board Certification' (selected) and 'I do not have Board Certification'. Below are two dropdown menus: 'Provider Type' (selected: Acupuncturist) and 'Name of Certifying Board' (selected: American Academy of Medic).
- Question 3:** 'Enter your Professional Liability Insurance Policy Expiration Date.' It has a date input field (selected: 10/04/2018) and a radio button 'I do not have PLI or this is not applicable'.
- Question 4:** 'Enter your Professional Liability Insurance Policy Number.' It has a text input field (selected: CD029022) and a radio button 'I do not have PLI or this is not applicable'.

At the bottom of the form is a red 'Continue' button.

4. If the details that you have entered during the verification process do not match the details on the profile, you will be prompted with a message that says *“Sorry, we could not verify your account based on the information provided. Please try again!”*

**FIGURE 21**

5. If you have passed the verification process, you will be directed to a page where you can enter the new primary e-mail address you would like to use for your account.

At the bottom of the "Account Information" box is a link: "Save as PDF".

## CHAPTER 3: Home Page

You will see the CAQH ProView Home page after a successful login.

**FIGURE 33**

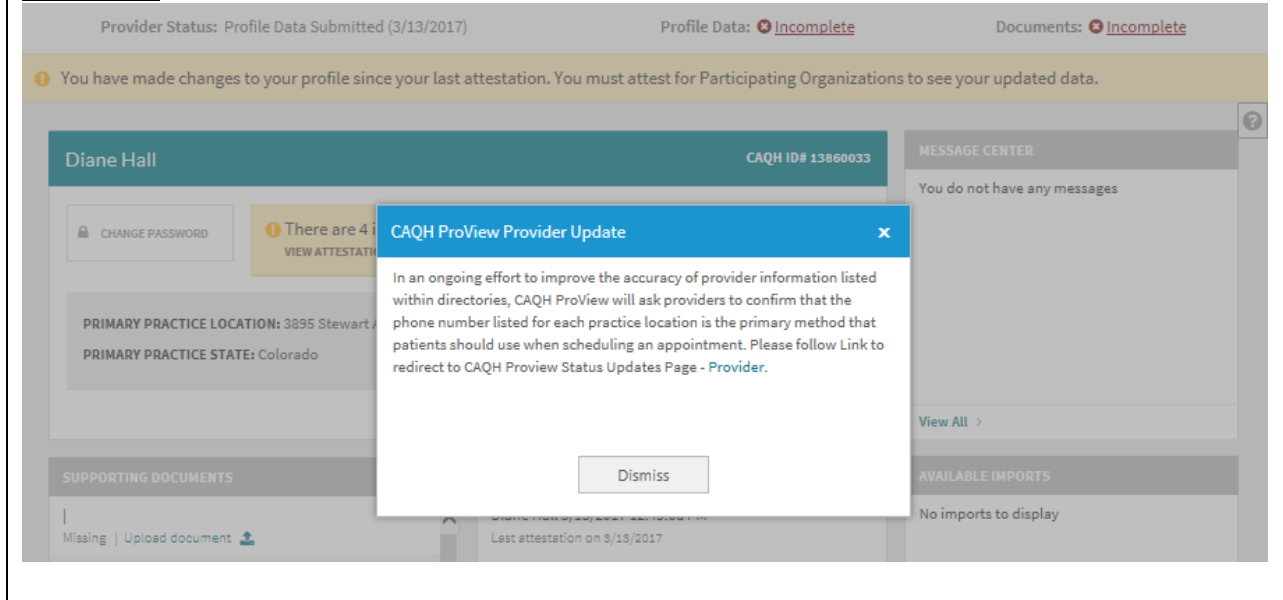

**NEW:** A new Broadcast Message feature has been added to the CAQH ProView Provider, Practice Manager, and Participating Organization portal. Broadcast Messaging will allow CAQH to communicate upcoming system updates and/or to report system-wide issues to all users.

Whenever there is a published broadcast message, a pop-up message will appear on your screen when you log in to your CAQH ProView account.

**FIGURE 34**

If you click the 'X' located at the top, the pop-up message will close but will re-appear upon your next log-in.

If you click the Dismiss button, the pop-up message will close and will NOT appear with future log-ins. If you clicked the Dismiss button and would like to view the broadcast message again, click on the CAQH ProView Provider Update link found above your name.

**FIGURE 35**

**Note:** The link to the CAQH ProView Status Updates will be found in the pop-up message.

**Tip:**

- If you need assistance on the Home Page, you can access the “Help” link that is displayed in the top right-hand corner on the Home Page.

The Home page displays five components:

**1. Profile Summary**

- Provides a summary of your key profile information, such as your CAQH Provider ID, any outstanding required fixes that need to be made to your data profile, and your primary practice state. You can also easily access a “Change Password” button here to change your password if necessary.

**2. Message Center**

- Displays information relevant to your account, information from CAQH and actions required. This also displays any notifications from CAQH regarding missing or expired documents.

**3. Supporting Documents**

- Provides links to any supporting documents that have been uploaded to your profile.
- Displays the approval status of your supporting documents.
- If you have questions on uploading your documentation, refer to *Chapter 6: Uploading Supporting Documentation*.

**4. Attestation History**

- Provides a record of your attestation history.
- Attestation is the term used to show you certify that you have carefully reviewed all information contained within your CAQH data profile and that all information provided by you is true, correct and complete to the best of your knowledge. You also acknowledge that your CAQH data profile will not be considered complete until supporting documentation and signed Authorization, Attestation and Release Form are submitted.

**5. Available Imports.**

- Displays any sections containing data available for import into your data profile. With CAQH ProView, practice managers have the capability to enter information on your behalf and then export that information for your access and to ease your data entry requirements. You will have the option to import any available data as a new set or replace an existing set of data within the section. You also can compare your existing data to the data entered by a practice manager before you choose to import the data.

In addition, to these components, across the top of the home page is a navigation menu, which allows you to navigate to four sections to complete your profile information:

- **Profile Data** – Click here to enter your profile information (See Chapter 4)
- **Documents** – Click here to review your supporting documents (See Chapter 6)
- **Review** – Click here to review the information you have entered and correct any required errors (See Chapter 5)
- **Attest** – Click here to attest to the accuracy of your information (See Chapter 8)

**FIGURE 36**

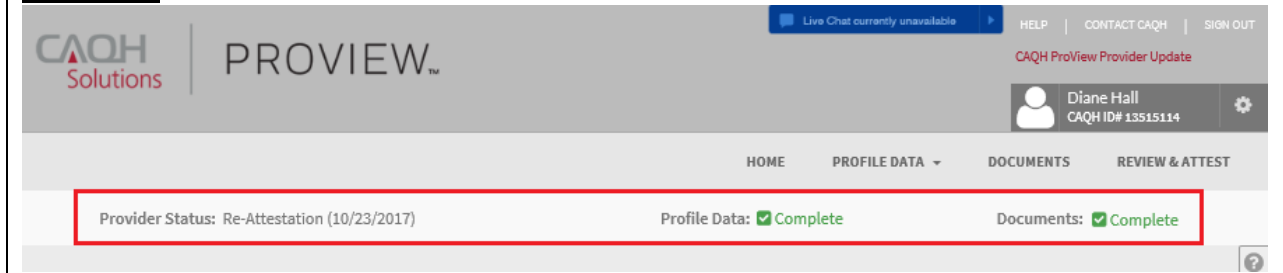

**Status Bar**

A status bar is also available at the top of the screen. The status bar will help you identify what actions need to be taken on your profile for your authorized organizations to receive your up-to-date information.

The Status Bar shows three elements:

- Provider Status with ‘as of’ date
- Profile Data: Complete/Incomplete
  - The status ‘Complete’ is displayed if you have successfully completed all required fields in the sections listed on the left-hand side navigation.
- Documents: Complete/Incomplete
  - The status ‘Complete’ is displayed if ALL the required supporting documents have been provided and are current according to requirement rules.

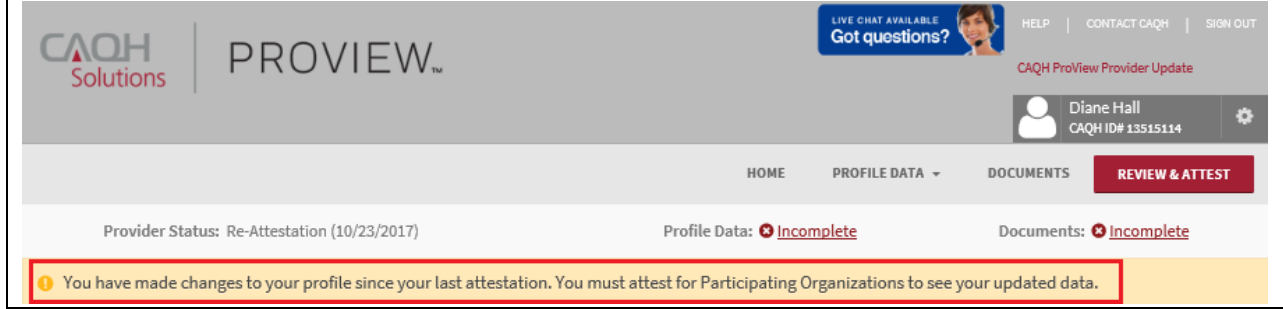

**FIGURE 37**

**Attest Reminder Bar**

- After you update any information in your profile, you must complete attestation so that your authorized organizations can view your updated profile.
- A reminder message will appear across the top of the page on every page only after you have changed one or more piece of data and have not attested to that change.
- This message will disappear only after you have attested but would re-appear if you changed more data and did not re-attest.
- This message will also appear if CAQH has updated a relevant domain table value.

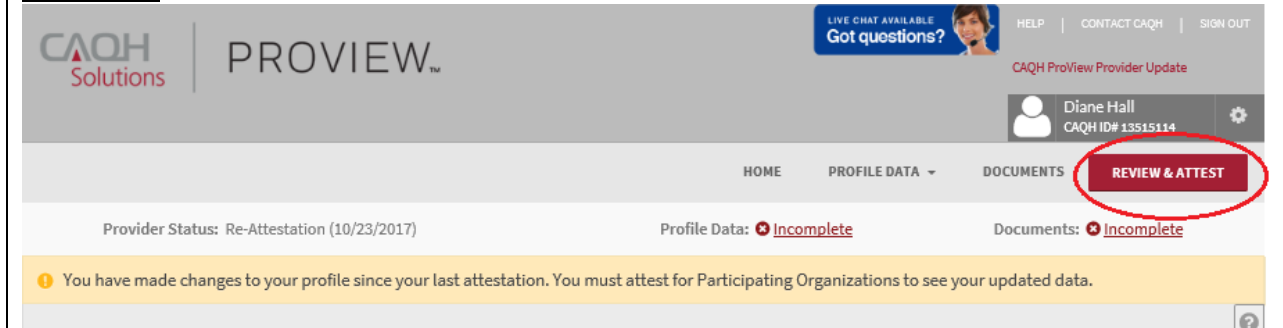

**FIGURE 38**

### Attest Button in Navigation Bar

- The 'Attest' navigational element is now moved to the far-right position.
- If you have never attested or have previously attested and have unattested data, the 'Attest' navigational element will show as a red button.
- The 'Attest' navigational element will also show as a red button when you are NOT in the following status:
  - Initial Profile Complete
  - Re-attestation

**FIGURE 39**

**Activity Log**

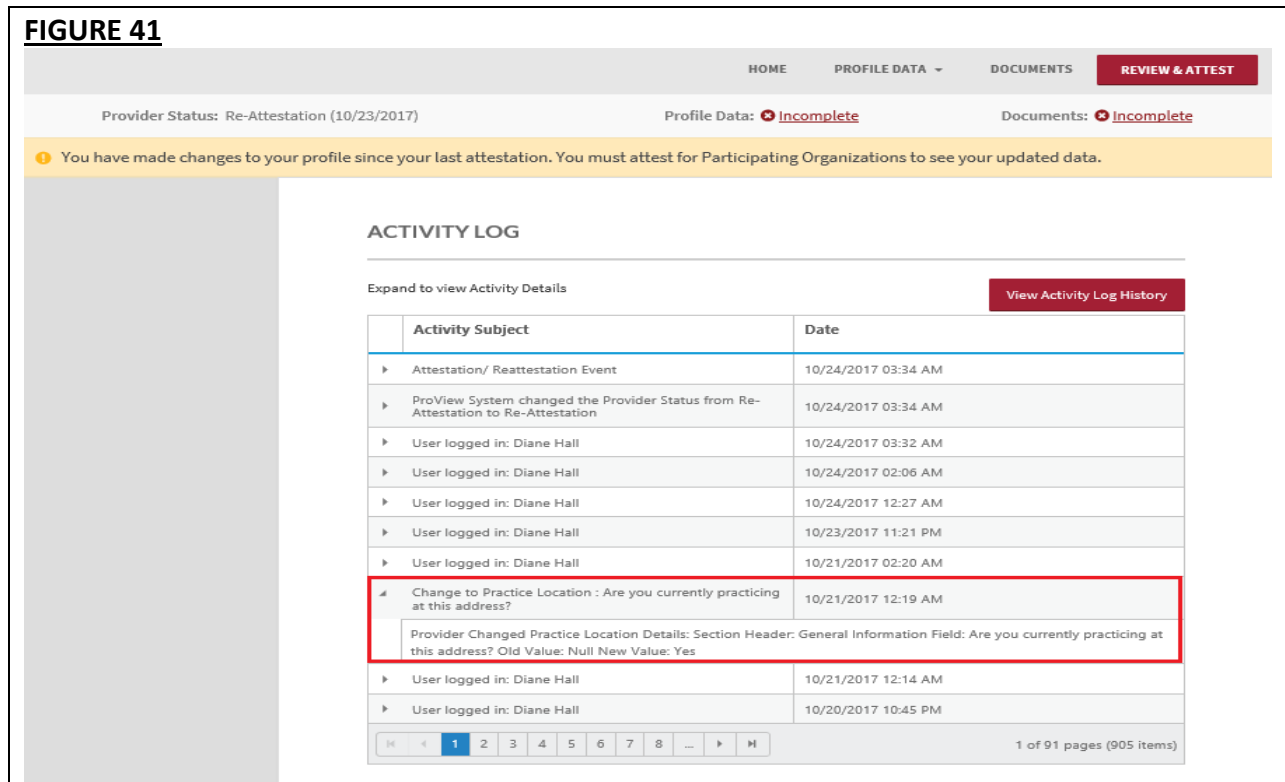

From the Home Page, you can access the “Activity Log” from the top right navigation drop-down menu.

**FIGURE 40**

The Activity Log lists all recent activity that has occurred in your account, including recent log-ins, re-attestations, and data updates.

**FIGURE 41**

**Note:**

- All changes on the profile will ONLY appear on the Activity Log after you have completed the re-attestation.
- Any changes done after the re-attestation will not be reflected on the Activity Log unless you complete the re-attestation again after making the additional changes.
- If after the re-attestation these changes are still not reflected on the Activity Log, sign out from CAQH ProView and log in again and go to Activity Log. The details of the changes should appear on this page of your profile.
- Changes on the Documents section and Authorization page will reflect on the Activity Log even if you have not yet re-attested.

## CHAPTER 4: Completing Your Profile Information

CAQH ProView will guide you through the process of completing your information and managing your profile data and supporting documentation. From the Home Page, click on “Profile Data” on the top navigation bar to begin the process.

**Tips:**

1. Throughout the system, required fields are indicated with a red asterisk (\*).
2. If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
3. Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
4. It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.

**FIGURE 42**

Clicking on “Profile Data” shows a drop-down list of 12 Sections: Personal Information, Professional IDs, Education, Professional Training, Specialties, Practice Locations, Hospital Affiliations, Credential Contacts, Professional Liability Insurance, Employment Information, Professional References, and Disclosure. They are described in further detail below. Questions presented to you may vary based on your primary practice state.

**Personal Information**

The Personal Information section requests basic information such as name, phone numbers, and contact information. Some information on this screen may be pre-populated based on the information you entered during the self-registration process. Additional information or tips are provided below as applicable to assist you with completing these fields.

**Tips:**

1. If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
2. Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
3. It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.

- **Provider Type, Practice Setting and Practice State**
  - You will first be asked to identify your provider type, practice setting and practice states. The answers to these questions will drive the questions presented to you throughout CAQH ProView's profile sections. If you practice in multiple states and one of those states includes a state specific credentialing application, the state specific questions and the CAQH ProView standardized questions will be presented to you in one integrated flow throughout the system. You will be required to complete all required questions for both the CAQH ProView standardized profile questions as well as any state specific questions.
  
- **Home Address**
  - Not required to complete your application; however, hospitals have identified that this information adds value in confirming your accessibility to the hospital.
  
- **Mailing Address**
  - Enter the "Mailing Address" of the physical location of your practice. If you do not have a physical practice location, you may enter a P.O. Box; however, it is important to note that health plans intend to use this information for their directories. If you would like to enter a P.O. Box for the billing address, please enter this information in the Billing Contact section.
  
- **Primary Method of Contact**
  - An email is required as a primary method of contact for CAQH ProView. This email will be used for all system generated messages, such as reminders when it is time to re-attest to your data profile.
  - You also can enter two additional email addresses (PMOC CC1 and PMOC CC2) that will be copied on the system generated messages.
  
- **Personal Identification Numbers**
  - Your Social Security Number is required to complete the application.
  - NPI – National Provider Identification Number
    - This is a provider's Type 1 National Provider Identifier. It is a unique, 10-digit identification number issued to health care providers by the Centers for Medicare and Medicaid Services (CMS).

**Note:** All Type 1 NPIs will undergo a one-time validation. Validation failures will be displayed as a required fix.

**FIGURE 44**

**REQUIRED FIXES**

Personal Information

Sub Section	Field	Error
Demographics	Are you a US Citizen?	Please enter the field labeled, "Are you a US Citizen?"
Demographics	Citizenship Country	Please enter the field labeled, "Citizenship Country"

The NPI(s) listed below could not be validated. Please check that you have entered an Individual NPI and that the NPI number was entered correctly.

Individual NPI	Error	Action
0125431989	This number could not be found in the NPI database.	<a href="#">Edit</a> <a href="#">Ignore</a>

You may see the following errors on the Required Fixes page:

- ***This number could not be found in the NPI database.*** – This means that the Type 1 NPI that you have entered is an invalid one. Please review for any possible typo error.
- ***This is not an Individual NPI.*** – You may have entered a Group NPI on the Individual NPI field. Please review the value that you have entered on the Individual NPI field.
- ***This number does not match the name you provided in ProView, {ProView First Name} {ProView Last Name}.*** – Please review the Individual NPI that you have entered. There might be a typo error that has caused the mismatch.

For Providers whose Provider Type is either MD, DO, NP, or DMD with Inpatient/Outpatient or Outpatient Only as the Practice Setting, the Primary Practice State and each of the other Practice States (in case of multi-state Providers) should have a matching value populated for the State field in the General information section for any active Practice Location (where you answered Yes to the question: *Do you practice at this location?*). There will be an error for each Practice State that does not match an active Practice Location.

**FIGURE 45**

Personal Information

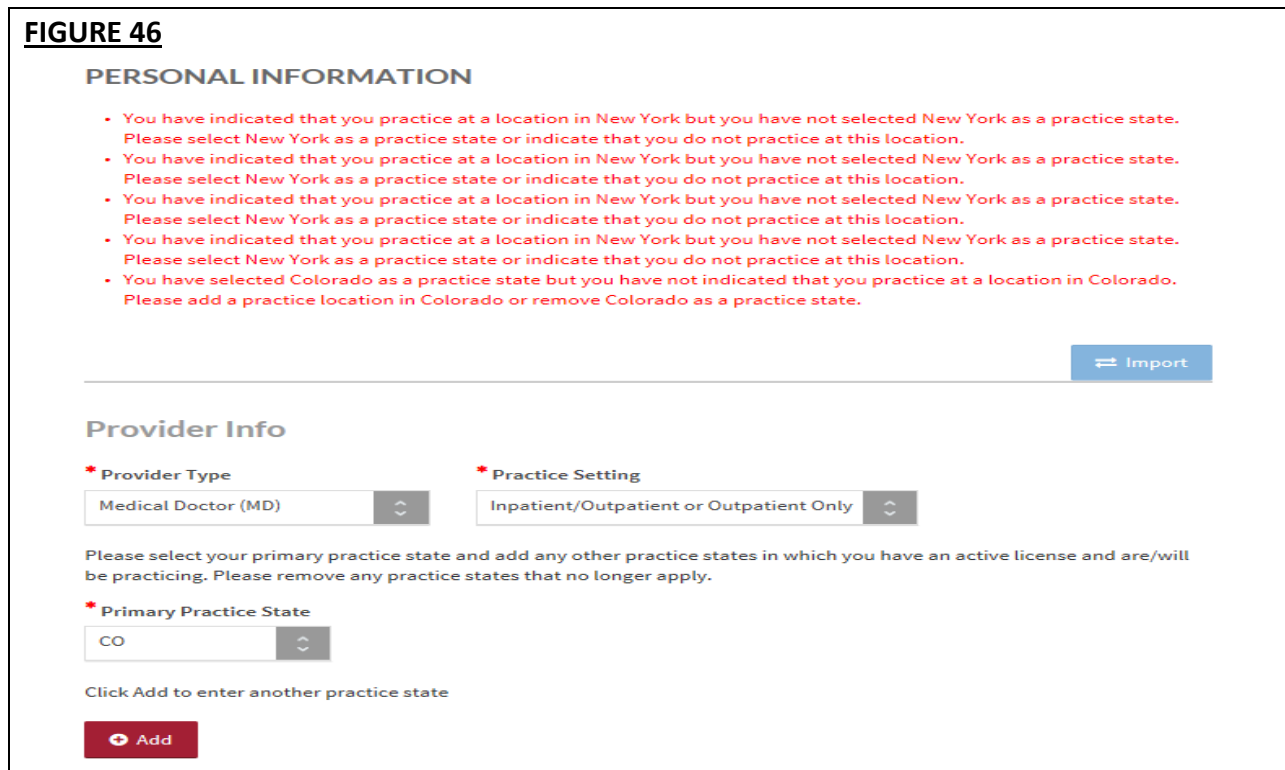

Sub Section	Field	Error	Action
Personal Information	Primary Practice State	You have selected Colorado as a practice state but you have not indicated that you practice at a location in Colorado. Please add a practice location in Colorado or remove Colorado as a practice state.	<a href="#">Update Practice Locations</a>   <a href="#">Update Practice States</a> <a href="#">Ignore</a>

On the screenshot above, the practice state on the account is Colorado but there is no active practice location in Colorado listed in the profile. The Provider is required to either add an active practice location in Colorado or remove Colorado as a primary practice state, whichever is applicable.

- The *Update Practice States* hyperlink in the error links to the Personal Information Page. Once the user has clicked the hyperlink, the following error is displayed on the top of the Personal Information Page, in red text:

*You have selected {Primary Practice State or Practice State} as a practice state but you have not indicated that you practice at a location in {Primary Practice State or Practice State}. Please add a practice location in {Primary Practice State or Practice State} or remove {Primary Practice State or Practice State} as a practice state.*

**FIGURE 46**

- If you add a practice location to match the Practice State, and click "**Save and Continue**", you will be redirected to the Correct Errors Page and will no longer see the error.
- The **Ignore** hyperlink in the error links to the Ignore pop-up that already exists for Address Standardization. The pop-up should have the same functionality, i.e., if the user clicks the "Yes" button, the error is removed from the Correct Errors Page.
- You are **required to either fix the error or click Ignore** and then click "Yes" in the pop-up so that the error disappears on the Correct Errors Page, and you will be able to attest.

**Professional IDs**

The Professional ID section requests that you enter all professional identification numbers and upload any applicable supporting documentation. If you have questions on uploading your documentation, refer to *Chapter 6: Uploading Supporting Documentation*.

**Tips:**

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your

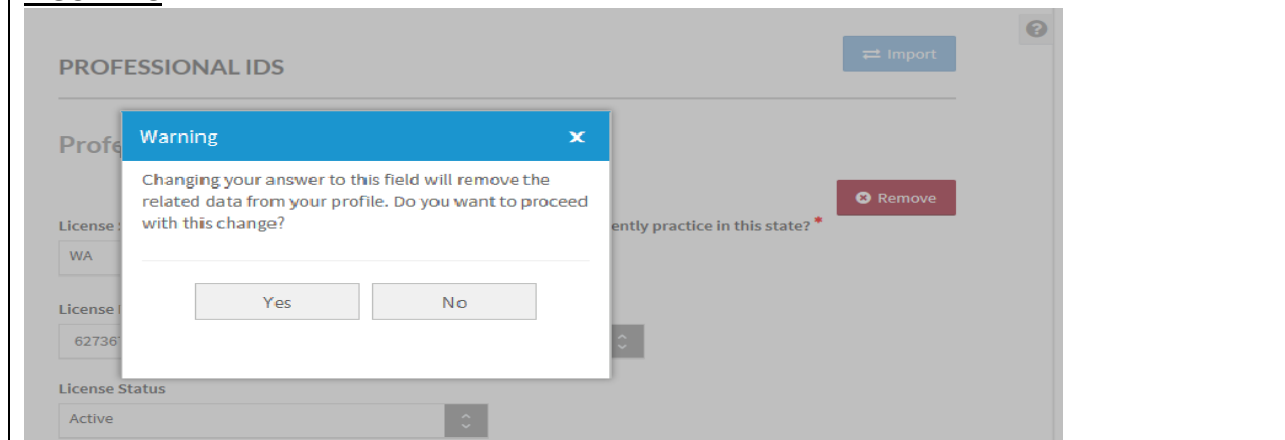

information. Clicking on the back and forward arrows will not save your information either.

- Select “Add” to enter additional medical licenses or other professional identification numbers.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

**FIGURE 47**

- A warning message will be displayed advising you that previously entered data will be permanently removed from the system when you change the answer to a leading question.
- A leading question is one that triggers different follow-on questions/responses depending on the response provided.
- When the answer to a leading question is changed, follow-on questions may disappear from the portal.
  - For instance, if you previously answered 'Yes' to the question 'Do you have a DEA certificate?' and now changed it to 'No', the data from the DEA Number, State, Issue date, and Expiration Date are removed.
- Ensure no critical information will be deleted prior to selecting ‘Yes’ and saving the changes on this page. Otherwise, you will have to re-enter deleted information.
- The same rule applies to fields on the Professional IDs section such as CDS registration certificate, Medicare and Medicaid information, Educational Commission for Foreign Medical Graduates (ECFMG) number, FLEX number, and DPS certification.

**FIGURE 48**

The following professional identification numbers are requested.

- Medical License
  - You must enter all state medical licenses you currently hold or have held as issued by a U.S. or Canadian licensing authority.
- DEA Registration – Drug Enforcement Administration
- CDS Registration – Controlled Dangerous Substance
- Medicare
- Medicaid
- ECFMG
  - This is a certificate issued by the Education Commission for Foreign Medical Graduates, and applies to US Citizens who graduated from a Medical School outside the United States.
- USMLE – United States Medical Learning Examination
  - The United States Medical Learning Examination is a physician assessment required for physician licensing in the United States.

### **Education**

The Education section requests information regarding your education history, including your professional and undergraduate school information.

#### **Tips:**

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.

- Click on “Add” to add additional education as necessary.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

**FIGURE 49**

- A warning message will be displayed advising you that previously entered data will be permanently removed from the system when you change the answer to a leading question.
- A leading question is one that triggers different follow-on questions/responses depending on the response provided.
- When the answer to a leading question is changed, follow-on questions may disappear from the portal or if you change the selection from one value to another, all education values are deleted. Therefore, ensure no critical information will be deleted prior to selecting ‘Yes’ and saving the changes on this page. Otherwise, you will have to re-enter deleted information.

**FIGURE 50**

### **Professional Training**

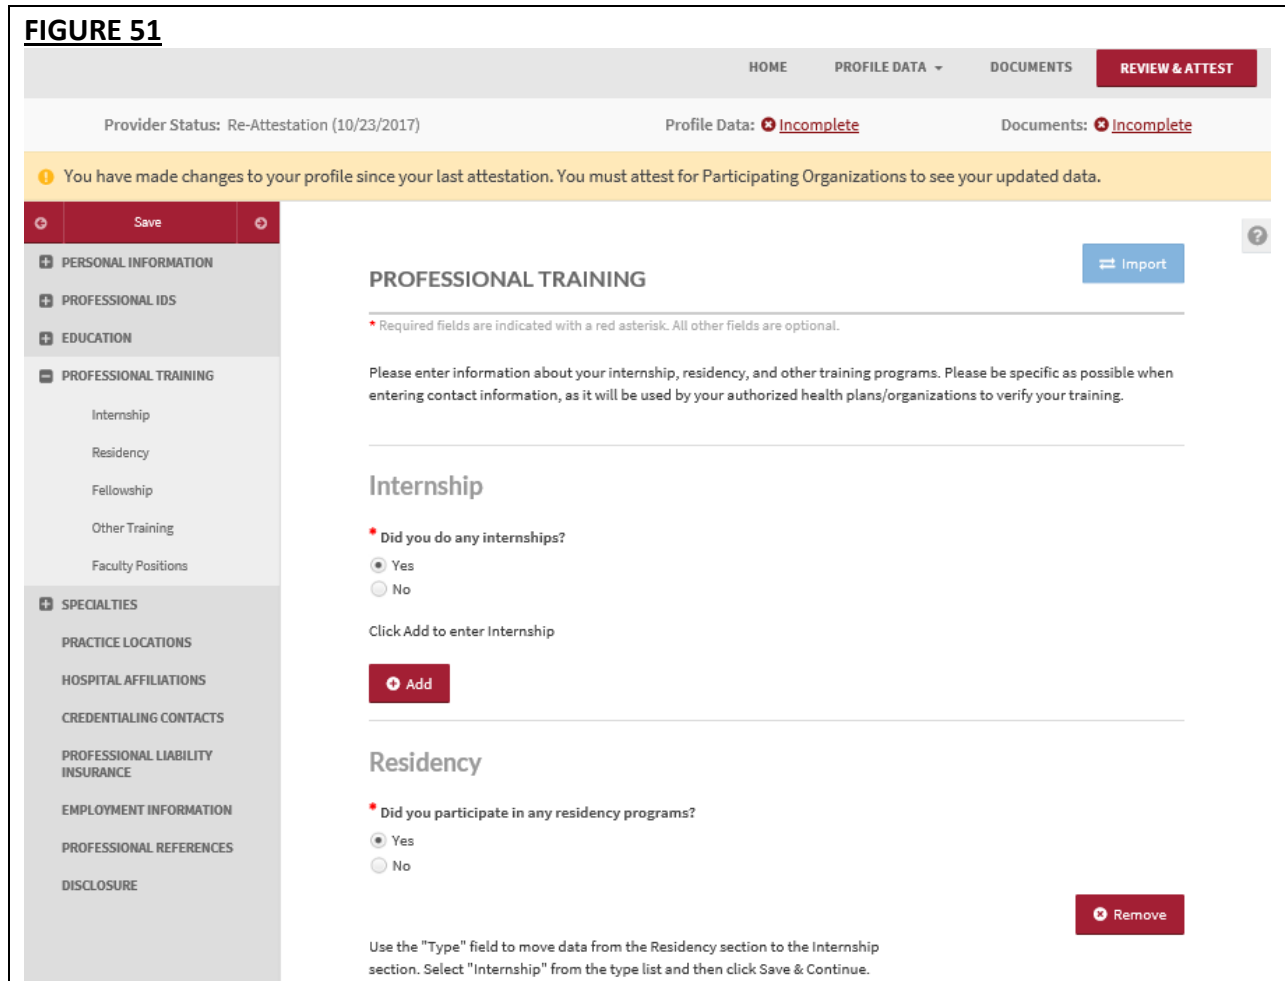

The Professional Training section requests information regarding your professional training, such as your internship and residency information.

#### **Tips:**

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Click on “Add” to add additional training as necessary.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

**FIGURE 51**

The Professional Training subsections are listed below:

- Internship
  - Include any incomplete internship programs.
- Residency
  - Include any incomplete residency programs.
  - If your training program was Rotating or Transitional, please enter a separate entry for each rotation. For credentialing, the health plans need to know the specifics of each rotation including the specialty or department and the time associated with each.
- Fellowship
  - The period of medical training in the United States and Canada that a physician or dentist may undertake after completing a specialty training program (residency)
- Faculty Positions/Academic Appointments

## Specialties

The Specialties section requests information regarding your specialties and certification information.

### Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Click on “Add” to add additional specialties as necessary.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

**FIGURE 52**

The screenshot shows the 'SPECIALTIES' section of the CAQH ProView interface. At the top, there is a navigation bar with 'HOME', 'PROFILE DATA', 'DOCUMENTS', and a red 'REVIEW & ATTEST' button. Below this, a status bar indicates 'Provider Status: Re-Attestation (10/23/2017)', 'Profile Data: Incomplete', and 'Documents: Incomplete'. A yellow banner message states: 'You have made changes to your profile since your last attestation. You must attest for Participating Organizations to see your updated data.' The left sidebar contains a 'Save' button and a navigation menu with categories: PERSONAL INFORMATION, PROFESSIONAL IDS, EDUCATION, PROFESSIONAL TRAINING, SPECIALTIES (highlighted), PRACTICE LOCATIONS, HOSPITAL AFFILIATIONS, and CREDENTIALING CONTACTS. The 'SPECIALTIES' section is active, showing a form with the following fields:
 

- Primary Specialty**: A dropdown menu with 'Dentist, Pediatric Dentistry' selected.
- Do you have any specialties?**: Radio buttons for 'Yes' (selected) and 'No'.
- Board Certified?**: Radio buttons for 'Yes' and 'No' (selected).
- Do you wish to be listed in the directory under this primary specialty?**: Three sets of radio buttons for 'Yes' and 'No' corresponding to 'HMO', 'PPO', and 'POS'. The 'Yes' option is selected for all three.

 An 'Import' button is visible in the top right of the form area, and a help icon '?' is in the top right corner of the form.

- You are now asked to respond to this question: *Does your board certification have an expiration date?*

The specialties that are included in the drop-down list are collected from the National Uniform Claim Committee ([www.nucc.org](http://www.nucc.org)). If you cannot locate your specialty in this list, select the specialty that is most appropriate for your practice. If your specialty is not listed, you may enter it in the “Areas of Other Interest”, which is towards the bottom of the “Specialty” page.

The subsections are listed below and may vary based on your practice state.

- Primary Specialty
- Secondary Specialty
- Additional Specialty
- Board Examination – dynamically displayed/hidden based on your entries
- Certifications – The system will ask if you have received any of the following certifications. Additional information regarding each certification is provided below for your reference.
  - **CPR - Cardio-Pulmonary Resuscitation certification:** Community level classes concentrate on performing CPR on adults and older children. Some also include AED training, which teaches how to use the electronic defibrillation unit on heart attack victims. Professional level classes are designed for health care professionals, ski patrol, police, firefighters and emergency medical technicians. These classes teach all the skills previously mentioned, as well as removal of airway obstructions for victims of all ages. Other skills are also included in these classes, including inserting tubes to keep the airway open, using an oxygen tank, artificial breathing apparatuses and techniques for performing two-person CPR.
  - **BLS - Basic Life Support Certification:** Basic Life Support (BLS) certification is a relatively short training course required of many health professionals to help revive, resuscitate, or sustain a person who is experiencing cardiac arrest or respiratory failure of some sort. This could include a drowning victim, heart attack or stroke patient, or any scenario where breathing or heartbeats have been compromised.
  - **ACLS - Advanced Cardiovascular Life Support Certification:** ACLS is an acronym for Advanced Cardiovascular Life Support. This certification is required of many healthcare providers who will be interacting with patients. Like its name implies, ACLS is usually required of more advanced medical professionals, as it does include some invasive procedures, unlike Basic Life Support (BLS), which is required of almost all healthcare professionals.
  - **ALSO - Advanced Life Support in OB Certification:** Advanced Life Support in Obstetrics (ALSO<sup>®</sup>) is an evidence-based multidisciplinary training program that prepares maternity health care providers to better manage obstetric emergencies when and wherever they occur. ALSO's evidence-based learning path bridges knowledge gaps and boosts skill sets using a team-based approach, hands-on training, and mnemonics to reduce errors and save lives.

- **Health Care Provider (CoreC)**
- **ATLS - Advanced Trauma Life Support Certification:** Advanced Trauma Life Support (ATLS) is a training program for medical providers (MD/DO/DPM/PA/NP/CO) in the management of acute trauma cases, developed by the American College of Surgeons. Similar programs exist for nurses (ATCN) and paramedics (PHTLS). The program has been adopted worldwide in over 60 countries, sometimes under the name of Early Management of Severe Trauma (EMST), especially outside North America. Its goal is to teach a simplified and standardized approach to trauma patients. Originally designed for emergency situations where only one doctor and one nurse are present, ATLS is now widely accepted as the standard of care for initial assessment and treatment in trauma centers. The premise of the ATLS program is to treat the greatest threat to life first. It also advocates that the lack of a definitive diagnosis and a detailed history should not slow the application of indicated treatment for life-threatening injury, with the most time-critical interventions performed early.
- **NRP – Neonatal Resuscitation Program certification:** NRP was developed and is maintained by the American Academy of Pediatrics. This program focuses on basic resuscitation skills for newly born infants.
- **NALS - Neonatal Advanced Life Support certification:** NALS training, administered by the American Academy of Physician Assistants, delivers the same syllabus as NRP, has similar flexibility in its format, and equips trainees with identical knowledge and skills.
- **PALS - Pediatric Advanced Life Support Certification:** The PALS Course is for healthcare providers who respond to emergencies in infants and children. These include personnel in emergency response, emergency medicine, intensive care and critical care units such as physicians, nurses, paramedics and others who need a PALS course completion card for job or other requirements.
- **Anesthesia Permit**
- Other Interests
- Professional Associations: A professional association or professional society is usually an organization seeking to further a particular profession and the interests of individuals engaged in that profession. This is the section where you specify which Medical Professional Associations and Societies you are affiliated to. You can add more than one association to the list.

**Practice Location**

The Practice Location section asks for detailed information regarding your practice location(s).

A Practice Location summary table will be displayed on the Practice Locations start page.

- The table contains the following column headers:
  - Physician Group/Practice Name
  - Tax ID – All Tax IDs associated with the practice location will be displayed with a line break.
  - Location – displays the general address and phone number for the practice location; Address 1 and Address 2, City, State ZIP, Phone
  - Actions – Edit and Archive

**Tips:**

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter information for a practice location.
- Select “Edit” to edit the information within a practice location.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

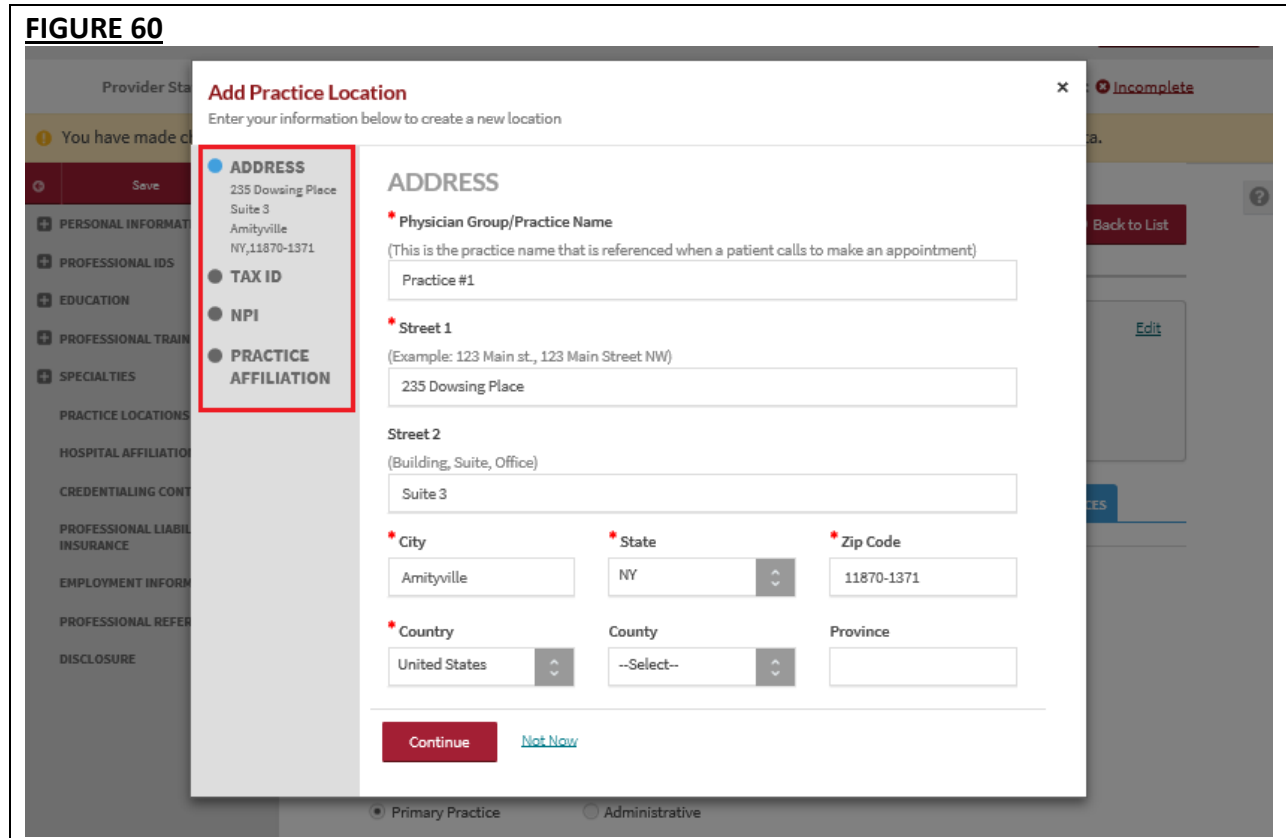

The following will be displayed at the top of the practice location record regardless of the subsection the provider is in. Click the Edit link to update any of the following details:

The screenshot shows a web interface for 'PRACTICE LOCATIONS'. At the top right is a red button labeled 'Back to List' and a help icon. Below the title is a note: '\* Required fields are indicated with a red asterisk. All other fields are optional.' The main content area displays a table with three columns: 'Practice #1', 'Tax Id', and 'NPI'. The 'Practice #1' column contains the address '235 Dowsing Place, Suite 3, Amityville, NY, 11870-1371'. The 'Tax Id' column contains '98-9891891' with a 'More Information' link. The 'NPI' column contains '1981917918' with a 'More Information' link. An 'Edit' link is located to the right of the table and is circled in red. At the bottom, there is a navigation bar with buttons for 'GENERAL INFORMATION', 'HOURS', 'COVERAGE & CONTACT', 'PRACTICE LIMITATIONS', 'ACCESSIBILITY', and 'SERVICES'.

- Practice Address

- Physician Group/Practice Name
  - Please enter the Practice Name as it appears on your claim submission so it will match the name for the location that is known to participating organizations with whom you contract. In most cases, this will not be the practitioner’s name. In some cases, this may be the name as it appears on the W9.
- Address
  - CAQH requests that you enter the appropriate address for the actual physical location of your practice. Do NOT enter a P.O. Box as the practice address. Please note that health plans intend to use this information for their directories.
  - ALL practice location addresses in your profile will undergo USPS address standardization. When you edit or add an address, you will be asked to confirm whether the suggested address is correct.
- Tax ID
  - Tax ID Number
  - Type of Tax ID

- NPI
  - Do you have an Organization (Type 2) NPI?
  - Organization (Type 2) NPI

**Note:** All Type 2 NPIs will undergo a one-time validation. Validation failures will be displayed as a required fix.

**FIGURE 61**

The United States Postal Service standardized format has been applied to ensure your address is accurate and complete per USPS address standards. Please confirm that the Suggested Address is correct.

You may see the following errors on the Required Fixes page:

- ***This number could not be found in the NPI database.*** - This means that the Type 2 NPI that you have entered is an invalid one. Please review for any possible typo error.
- ***This is not an Organization (Type 2) NPI.*** - You may have entered an Individual NPI on the Group/Organization NPI field. Please review the value that you have entered on the Group/Organization NPI field.

A warning message will be displayed advising you that previously entered data will be permanently removed from the system when you change the answer to a leading question.

- A leading question is one that triggers different follow-on questions/responses depending on the response provided.
- When the answer to a leading question is changed, follow-on questions may disappear from the portal.
- Ensure no critical information will be deleted prior to selecting 'Yes' and saving the changes on this page. Otherwise, you will have to re-enter deleted information.

**FIGURE 62**

- Practice Affiliation
  - Do you practice at this location?
  - Please describe your affiliation with this location.

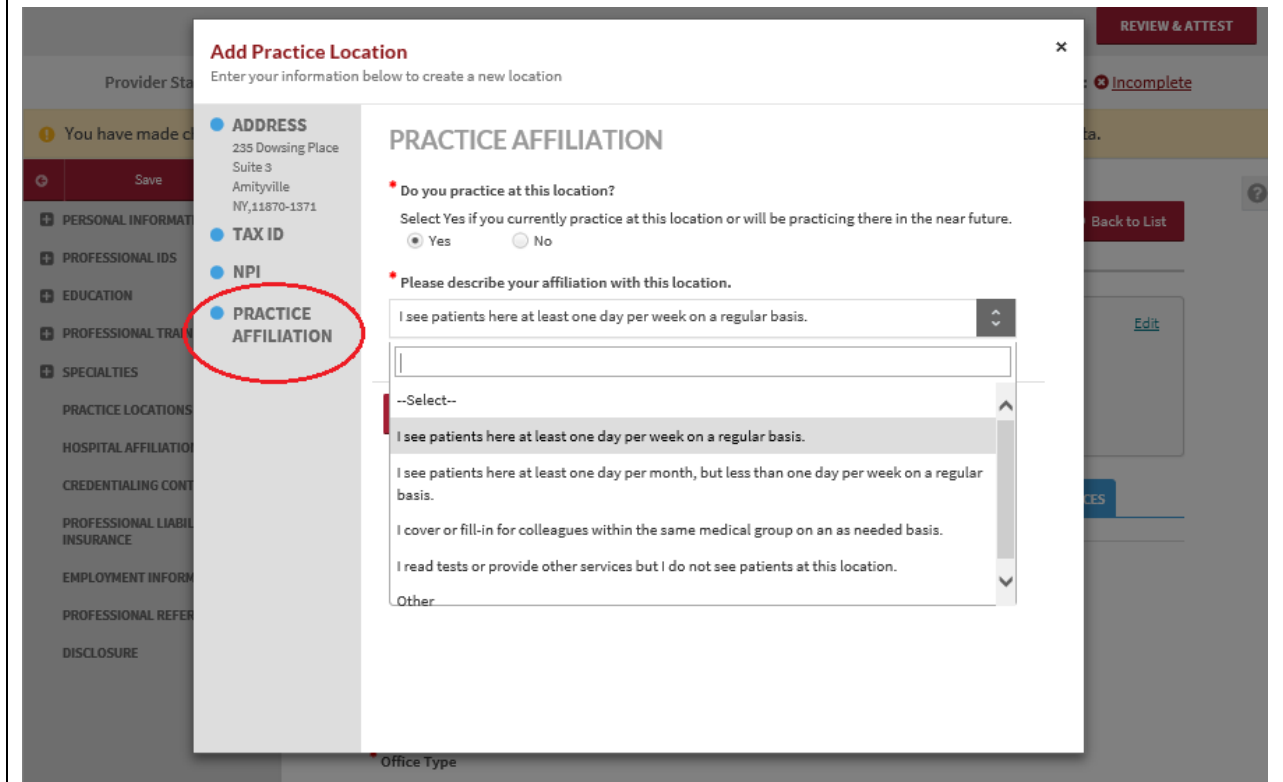

The question *"Do you practice at this location?"* should be required for **ALL** Inpatient/Outpatient or Outpatient Only Providers who practice in any of the states.

If your answer is either a Yes or a No to *"Do you practice at this location?"*, options will be displayed in a single select dropdown list.

You should enter a Yes answer if there is a chance that you will submit a claim for this practice. Whether you work at this practice every day, once a week, once a month, just to cover as needed, or to read tests or provide other services, a Yes answer accurately answers the question.

You should answer No to this question if you do not practice at this location and would never (or no longer) submit claims for services rendered at this location. This option is generally used to update existing practice locations. The absence of a practice location is difficult for a health plan to understand so rather than delete a location at which you no longer practice, you should enter a No answer to *"Do you practice at this location?"*.

**FIGURE 63**

- a. If you click Yes, a dropdown list with the following options will appear:
- I see patients here at least one day per week on a regular basis.
  - I see patients here at least one day per month, but less than one day per week on a regular basis.
  - I cover or fill-in for colleagues within the same medical group on an as needed basis.
  - I read tests or provide other services but I do not see patients at this location.
  - Other.

If you choose Other, a free form text box will appear for *“Please explain”* will be displayed.

**FIGURE 64**

**Which value to choose from the options?**

**Option 1: *I see patients here at least one day per week on a regular basis.***

This option would be appropriate when:

- this is your primary practice;
- a patient can make an appointment to see you at this location;
- you practice regularly at this location; or
- you have been hired at this location and have a start date in the near future.

**Option 2: *I see patients here at least one day per month, but less than one day per week on a regular basis.***

This option would be appropriate when:

- you work at this location on a seasonal or monthly basis;
- you have a regular routine where you see patients at this location infrequently but on a schedule; or
- you do not consider this your primary practice but you routinely see patients at this location and patients can even make an appointment.

**Option 3: *I cover or fill-in for colleagues within the same medical group on an as needed basis.***

This option would be appropriate when:

- you see patients at this location on an on-call basis;
- you are part of a larger practice and usually practice at another location but might need to fill-in for a provider at this one; or
- you serve in an urgent care capacity within a practice where you do not take appointments at the location, but you deliver care.

**Option 4: *I read tests or provide other services but I do not see patients at this location.***

This option would be appropriate when:

- you perform administrative tasks at this location but do not see patients; or
- you read tests for patients at this location but do not see patients.

**Option 5: *Other***

This option would be appropriate when:

- your affiliation with the location is none of the values available.

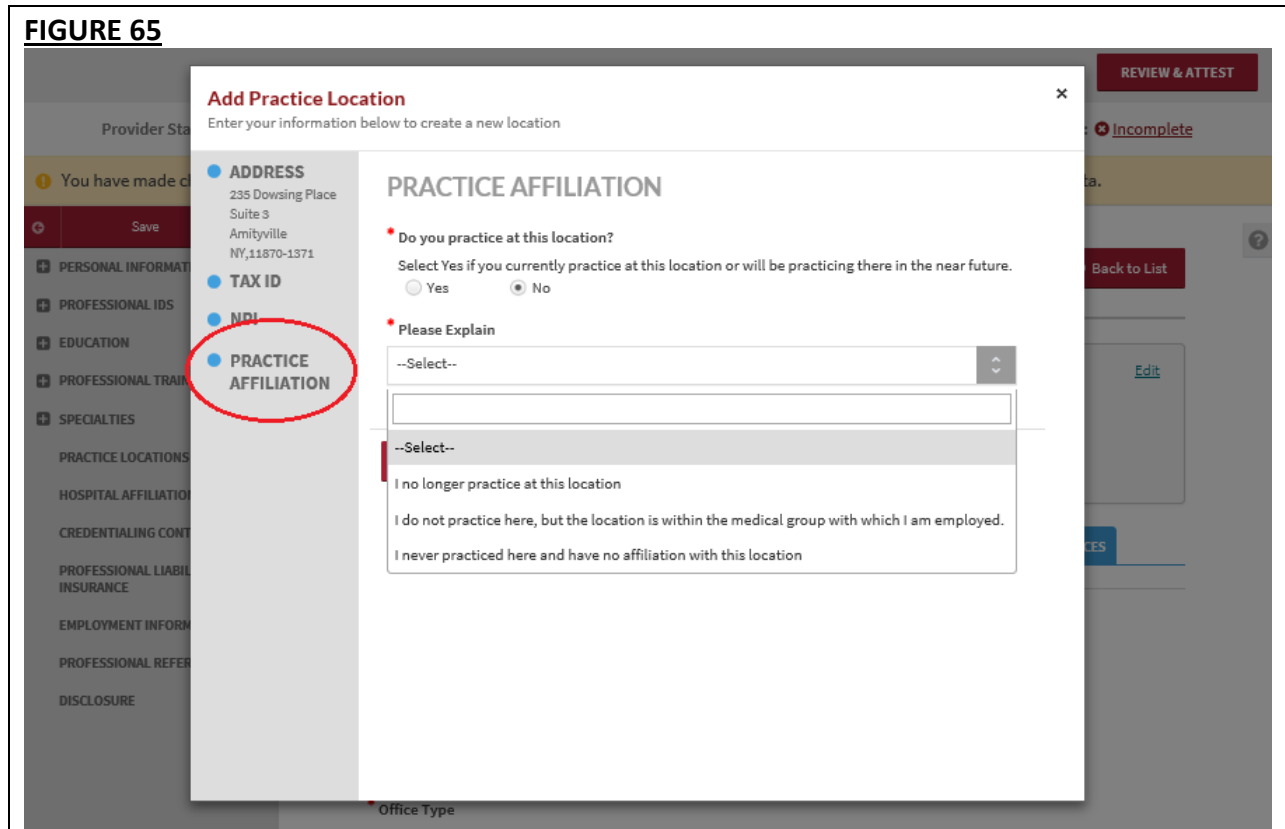

**Note:** If you choose Other, a free form text box will appear to which you will be required to enter an explanation. If you are going to use this option, please make sure that a detailed explanation is entered. This information will be used to adjust our dropdown list values in the future.

b. If you select No to question “Do you practice at this location?”, the following options will be displayed:

- I no longer practice at this location.
- I do not practice here, but the location is within the medical group with which I am employed.
- I never practiced here and have no affiliation with this location.

**FIGURE 65**

**Which value to choose from the options?**

**Option 1: *I no longer practice at this location.***

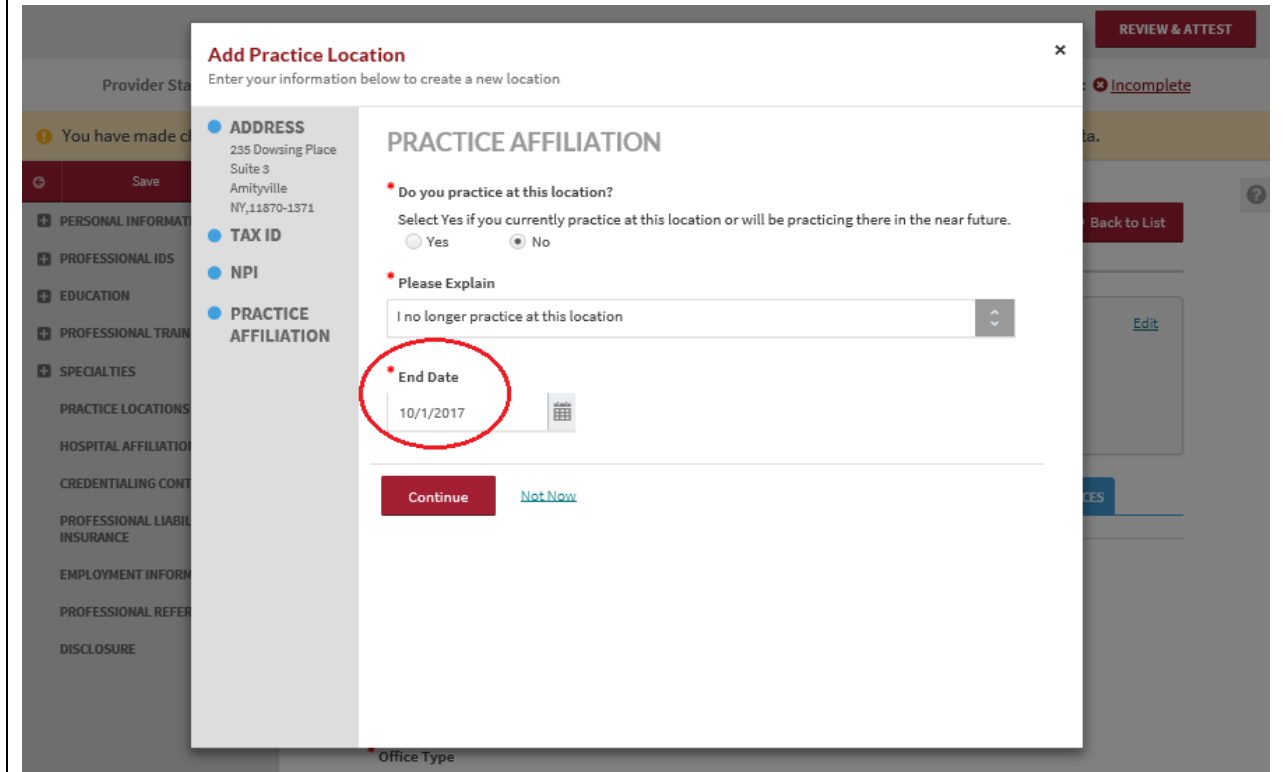

This option would be appropriate when:

- you left the practice all together and no longer practice at any locations affiliated with the practice; or
- you are still employed with the practice but have switched to a different location and will no longer submit claims for services rendered at this location

**Note:** If you choose "*I no longer practice at this location.*" a new date selector field "*End date*" will appear.

- The field format should be MM/DD/YYYY in the portal.
- The date entered on the "End Date" field must occur after the date entered in the field "Provider's Start Date".
- You should remember to update the Employment Information section of your profile with this information.

**FIGURE 66**

**Option 2: I do not practice here, but the location is within the medical group with which I am employed.**

This option would be appropriate when:

- You are employed by a large group and the practice manager for the group lists this location for you even though you would never submit claims to this location.

**Option 3: I never practiced here and have no affiliation with this location.**

This option would be appropriate when:

- The practice location was entered by mistake.

- When adding a new practice location, the question "Do you practice at this location?" will default to Yes and display the Select drop down value.

The subsections are listed below and may vary based on your practice state.

- General Information
  - Provider's Start Date
  - Office Type
  - Can general correspondence be sent to this location?
  - Office Phone Number - Please ensure that the phone number listed is the one that patients can use to schedule an appointment with the provider at that location.

Patients depend on the accuracy of provider directories when choosing a health plan and physicians. Inaccurate directories pose significant challenges for patients, contributing to delays in care, limiting choices of providers and masking problems with network adequacy.

**FIGURE 67**

**Phone Numbers**

Back Office Phone Number	Patient Appointment Phone	
<input type="text"/>	<input type="text"/>	
Pager Number		
<input type="text"/>		

In an ongoing effort to improve the accuracy of provider information listed within directories, CAQH ProView will ask providers to confirm that the phone number listed for each practice location is the primary method that patients may use when scheduling an appointment. If you do NOT take appointments, confirm that the phone number listed on the Practice Location section Office Phone Number field is the main number for the location.

**FIGURE 68**

To meet provider directory requirements, the phone number entered in the Practice Location field "Office Phone Number" must be the number that a patient uses to make an appointment. Please confirm that the phone number that displays in the "Office Phone Number" column is the appointment phone number or, if the provider does not take appointments, the main number for the location.

- If you click the Edit link, you will be taken to the General Information screen for that Practice Location.
    - At the top of the page, an error in red text will be displayed: *"Please confirm that the phone number entered in Office Phone Number is the number that patients use to make appointments."* The new phone number will appear on the Correct Errors page. Click the Confirm link to confirm that the new phone number entered is the one that patients can use to make appointments.
    - If you click the Confirm link for a Practice Location, that line item will disappear from the Correct Errors page.

    - Limitation
      - A limitation is any restriction you have set on the gender or age of your patient population.
    - Gender Limitations

- Age Limitations - The value in the Age Maximum field must be greater than the value in the Age Minimum field. Otherwise, it will appear on the Correct Errors page.
- Other Limitation
- Accessibility
  - ADA Accessibility
    - The Americans with Disabilities Act (ADA) ensures access to the built environment for people with disabilities. The ADA Standards establish design requirements for the construction and alteration of facilities subject to the law. These enforceable standards apply to places of public accommodation, commercial facilities, and state and local government facilities.

  - Services
    - Please use this section to indicate what services are provided at your practice location.
    - Clinical Laboratory Improvement Amendments (CLIA) - Diagnostic testing helps health care providers screen for or monitor specific diseases or conditions. It also helps assess patient health to make clinical decisions for patient care. The Clinical Laboratory Improvement Amendments (CLIA) regulate laboratory testing and require clinical laboratories to be certificated by their state as well as the Center for Medicare and Medicaid Services (CMS) before they can accept human samples for diagnostic testing. Laboratories can obtain multiple types of CLIA certificates, based on the kinds of diagnostic tests they conduct.
  - Interpretation Services

For Providers whose Provider Type is either MD, DO, NP, or DMD with Inpatient/Outpatient or Outpatient Only as the Practice Setting, each active practice location (where you answered Yes to the question: *Do you practice at this location?*) should have a matching Primary Practice State or Practice State on the Personal Information section. There will be an error for each active practice location that does not have a matching Practice State.

The screenshot shows the 'Add Practice Location' form in the CAQH Solutions interface. The form is titled 'Add Practice Location' and includes a sub-header 'Enter your information below to create a new location'. On the left, there is a navigation menu with options: ADDRESS, TAX ID (selected), NPI, and PRACTICE AFFILIATION. The ADDRESS section is filled with: 5 DOWSING PL, STE 3, AMITYVILLE, NY, 11701-3719. The TAX ID section contains: Practice Name as it appears on the W-9 (Practice #1), Tax ID (91-1981101), and Type of Tax ID (Individual selected). Below this is a question 'Is this the Primary Tax ID for this practice location?' with 'No' selected. At the bottom of the form, there is an 'Add' button and a 'Continue' button. The background shows a sidebar with 'PRACTICE LOCATIONS' selected and a 'REVIEW & ATTEST' button.

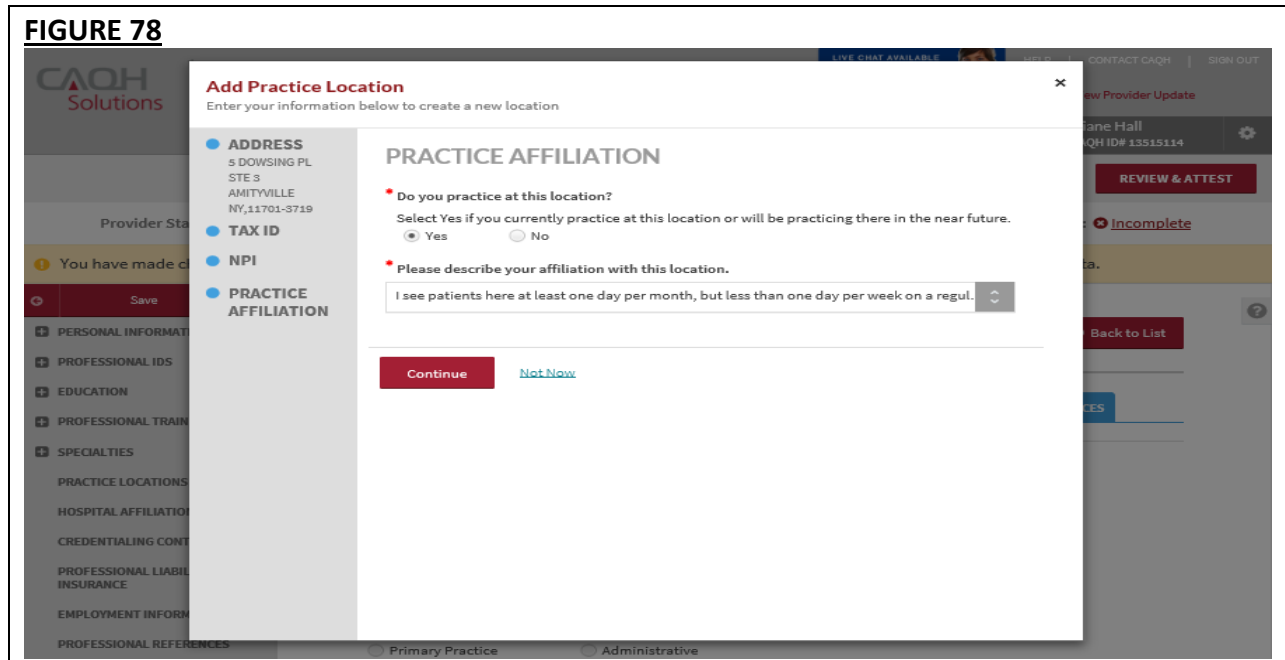

The screen will display the NPI information. Answer the question “Do you have an organization (Type 2) NPI?” If your answer is Yes, you will be required to enter the Organization (Type 2) NPI. Click Continue.

**FIGURE 77**

The screenshot shows the 'Add Practice Location' form in the CAQH Solutions interface, now displaying the NPI section. The navigation menu on the left has 'NPI' selected. ### New: Participation Tab

Providers who fall into these criteria will see a new tab in the Practice Locations section:

- Rostered by a Participating Organization/s for Provider Directory
- The rostering Participating Organization is authorized (see authorization page of your application)
- The following fields in the practice location record are populated:
  - Physician Group/Practice Name
  - State

Please indicate if you are in the contracting process or currently contracted with the Participating Organizations listed below. If you are, please indicate your panel status for new patients.

The Participation tab will appear next to the General Information tab.

**FIGURE 98**

The screenshot displays the 'PRACTICE LOCATIONS' section of the CAQH ProView interface. At the top right, there is a red button labeled 'Back to List'. Below the title, a note states: 'Required fields are indicated with a red asterisk. All other fields are optional.' A table lists practice details for 'Practice #1', including address, Tax Id (02-8282822), and NPI (0229828282). Below the table is a horizontal navigation bar with tabs: GENERAL INFORMATION, PARTICIPATION (circled in red), HOURS, COVERAGE & CONTACT, PRACTICE LIMITATIONS, ACCESSIBILITY, and SERVICES. The 'General Information' section is partially visible below, featuring a 'Provider's Start Date' field with a calendar icon and the date 10/16/2014.

If you click the Participation tab, you will be directed to this page.

If the Provider wishes to add more admitting privileges, admitting arrangements, and/or non-admitting affiliation records this can be accomplished by scrolling to the bottom of the page and selecting the type of record to be entered and clicking "Add".

**FIGURE 123**

**Note:** These options will only appear if the Provider answered *Yes* to the leading questions “Do you have admitting privileges at one or more hospitals?” and “Do you have an admitting arrangement where another provider admits for you?” and “Do you have any non-admitting hospital affiliations?”

**Tips:**

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter information for a hospital affiliation.
- Select “Edit” to edit the information within a hospital affiliation record.
- Select “Delete” to remove a hospital affiliation from your application. Please note that by selecting “Delete”, all information entered for that hospital affiliation will be deleted.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.
- A warning message will be displayed advising you that previously entered data will be permanently removed from the system when you change the answer to a leading question.
- A leading question is one that triggers different follow-on questions/responses depending on the response provided.
- When the answer to a leading question is changed, follow-on questions may disappear from the portal.
- Ensure no critical information will be deleted prior to selecting ‘Yes’ and saving the changes on this page. Otherwise, you will have to re-enter deleted information.

## Credentialing Contact

The Credentialing Contact section asks for specific contact information for your credentialing contacts.

- You may provide multiple credentialing contacts based on their location by first indicating the “Location Type”, e.g. practice location or hospital affiliation, and then by selecting from a drop-down list of your previously entered practices or hospitals.
- You may also indicate the same credentialing contact for multiple locations by selecting the appropriate locations from the drop-down menu in the “Location” field.

**FIGURE 125**

The screenshot shows the 'CREDENTIALING CONTACT' form in the CAQH ProView system. The form is titled 'CREDENTIALING CONTACT' and includes a 'Save' button at the top left and a 'Remove' button at the top right. A yellow banner at the top of the form area states: 'You have made changes to your profile since your last attestation. You must attest for Participating Organizations to see your updated data.' The form fields are as follows:

- First Name:** Ronald
- Middle Name:** (empty)
- Last Name:** Montecillo
- Street 1:** 5 Dowsing Placw
- Street 2:** (empty)
- City:** Amityville

At the bottom of the form, there is a section for 'Primary Credentialing Contact' with radio buttons for 'Yes' (selected) and 'No'.

### Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.

- Select “Add” to enter information for a credentialing contact.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

## **Professional Liability Insurance**

CAQH is changing the Professional Liability Insurance (PLI) page to make it easier for you to manage your PLI records and to ensure you are providing the necessary information for credentialing.

Previously, CAQH ProView Providers who answered “Yes” to the “Self Insured?” question could skip all required fields and were not required to upload any supporting documentation. This resulted in incomplete applications for many providers who should have been submitting PLI information. To address this issue, the following changes have been made to the Professional Liability Insurance section of the Provider application.

A new leading question has been added to the PLI section of your application: *“Are you covered under a professional liability insurance policy?”*

**FIGURE 126**

**FIGURE 126**

You have made changes to your profile since your last attestation. You must attest for Participating Organizations to see your updated data.

- If you have previously answered the "Self-Insured" question, your answer should remain for that self-insured question.
- When you log in to your account after these changes have been implemented and navigate to the Professional Liability Insurance section, you will see a new leading question "Are you covered under a professional liability insurance policy?"

**FIGURE 140**

The screenshot displays the 'PROFESSIONAL LIABILITY INSURANCE' section of the CAQH ProView interface. On the left is a sidebar with a 'Save' button at the top and a list of menu items: PERSONAL INFORMATION, PROFESSIONAL IDS, EDUCATION, PROFESSIONAL TRAINING, SPECIALTIES, PRACTICE LOCATIONS, HOSPITAL AFFILIATIONS, CREDENTIALING CONTACTS, PROFESSIONAL LIABILITY INSURANCE (highlighted), EMPLOYMENT INFORMATION, PROFESSIONAL REFERENCES, and DISCLOSURE. The main content area has a blue 'Import' button in the top right. Below the title, a red asterisk indicates that required fields are marked with a red asterisk. The text instructs users to enter their current carrier information, noting that a Professional Liability Insurance Face Sheet or Certificate of Insurance is required for each current policy. A bulleted list provides further guidance: it is recommended to enter 10 years of insurance information; users with less than 10 years of current coverage should enter previous carrier information; documents from previous carriers do not need to be uploaded; users should update the section to remove historical information greater than 10 years old; and users without current coverage must submit a confirmation letter. Below this is a section titled 'Manage Professional Liability Insurance' with a red asterisk and the question 'Are you covered under a professional liability insurance policy?'. Two radio buttons are provided: 'Yes' (selected) and 'No'. A note states that policies are listed by current expiration date. A bulleted list explains that users must maintain at least one current policy record, that a red expiration date indicates a policy has expired and can be renewed, and that policies can be deleted if entered in error or expired over 10 years ago. At the bottom of this section is a red box with the text 'Please enter at least one professional liability insurance record' and a red 'Add' button. The bottom navigation bar contains three buttons: 'Save and Go Back', 'Save', and 'Save & Continue'.

- If you previously answered "Yes" to "Self-Insured?", neither the "Yes" nor "No" button is selected for "Are you covered under a professional liability insurance policy?" when you log in to your account after this change has been implemented.
- If you previously answered "No" to "Self-Insured?", the "Yes" answer to "Are you covered under a professional liability insurance policy?" will be populated when you log in to your account after this change.

### Tips:

- If you need assistance, you can access the “?” link that is displayed on the right-hand side of the screens.
- Use “Save and Go Back” or “Save & Continue” to page backward or forward within sections.
- It is important to click on the “Save” button or the “Save & Continue” button to save your information. If you close the browser or move to another screen via the left-hand navigation screen without clicking “Save” or “Save & Continue”, you will lose your information. Clicking on the back and forward arrows will not save your information either.
- Select “Add” to enter an employer and the related information.
- If the “Import” button is active, information already entered by a practice manager is available for you to view and import if you choose to do so.

- If you have not yet started work at a location, enter your expected start date in the Start Date field.
- In general, a gap is any break in continuous, full-time employment longer than 3 months. However, some state specific applications may have different requirements.
- Some organizations may require a full work history beginning with your professional degree and the reporting of all gaps in work history. Check with your credentialing organization.
- Instructions such as what details to include on the Employment Information section, how to handle employment gaps, and any other work history-related details have been added to the page.
- You are required to enter at least one Employment Information Record on the profile. To do this, click 'Add' button under Manage Employment Information.

**FIGURE 142**

The screenshot displays the 'EMPLOYMENT INFORMATION' section of a user profile. At the top, there is a navigation bar with 'HOME', 'PROFILE DATA', 'DOCUMENTS', and a 'REVIEW & ATTEST' button. Below this, a status bar shows 'Provider Status: Re-Attestation (10/23/2017)', 'Profile Data: Incomplete', and 'Documents: Incomplete'. A yellow banner contains a message: 'You have made changes to your profile since your last attestation. You must attest for Participating Organizations to see your updated data.' The left sidebar has a 'Save' button and a list of menu items, with 'EMPLOYMENT INFORMATION' highlighted. The main content area is titled 'EMPLOYMENT INFORMATION' and includes a note about required fields (marked with a red asterisk). It instructs users to list current and past employment for the last 10 years, with specific rules for new employment, short-term history, and gaps. Below this is a 'Manage Employment Information' section with a red 'Add' button and a message: 'Please enter at least one Employment Information Record.' The 'Military' section contains two questions with radio button options: 'Are you currently on active military duty?' and 'Are you currently in the Reserves or National Guard?'. At the bottom, there are three buttons: 'Save and Go Back', 'Save', and 'Save & Continue'.

- Once you have added employment information to your profile, a preview of the record will be displayed on the page with the following details: Practice/Employer Name, State

Date, End Date. If you have more than one employment record, only the previous one/s will have the end date. Your current employment record will be indicated with ‘Current Employment’.

- If there are any employment gap records, CAQH ProView will display a message ‘Gap in Employment: Please enter a reason for the gap.’ The start and end date of the gap will also be indicated. You are required to fill in all Employment Gaps before attestation.

## Authorize

The Authorize section allows you to indicate which healthcare organizations you would like to authorize release of your profile information.

**FIGURE 150**

**Affiliated Organizations Authorization**  
I hereby authorize the release of my full set of CAQH ProView self-reported information to:

- All healthcare organizations that indicate I am an affiliated provider or am in the process of becoming an affiliated provider
- Only the healthcare organizations that indicate I am an affiliated provider or am in the process of becoming an affiliated provider, and I specify below:

**Other Organizations Authorization**  
I hereby authorize the release of a more limited set of my CAQH ProView self-reported information to:

- All healthcare organizations that indicate I am not an affiliated provider
- Only the healthcare organizations that indicate I am not an affiliated provider, and I specify below:

No Organizations to display.	

Save

Review the information provided on the screen, select the applicable authorization and agree to the authorization release accordingly.

- You can indicate a “global” authorization, which allows access to your data profile to all healthcare organizations that indicate to CAQH that you are an affiliated provider or am in the process of becoming an affiliated provider.
- You also can individually select organizations to allow access to your data profile by selecting “Only the healthcare organizations that indicate I am an affiliated provider or am in the process of becoming an affiliated provider, and I specify below”.
- In the “Other Organizations Authorization” section, you have the option to release a more limited set of your data profile to healthcare organizations that you are not affiliated with.
  - Organizations need data for providers who are not affiliated or participating in their network to pay out-of-network claims. For example, if a health plan would like to verify a non-participating provider’s address before they submit payment for the claim.
  - In the “Other Organization Authorization” section, you have the option to either grant global authorization to all health plans who indicate you are not affiliated or to select the individual plans who have indicated you are not affiliated. By selecting the latter option, you will be able to view which health plans have asked to view a limited set of your data and can grant access via line item authorization. **If preferred, you do not need to authorize any organizations that you are not affiliated with.**
- If you are interested in participating with additional health plans, you need to contact each health plan directly. Once you are added to the health plan’s CAQH provider roster, the health plan will be listed on this authorization screen.

### Update Authorization

You can change or update your authorization selection at any time. Simply log into CAQH ProView and select “Authorize” from the top right navigation drop-down menu to make your change. Click “Save” for your changes to be effective.

## CHAPTER 5: Review Your Data

Once you have completed your data profile, select “Review and Attest” from the top navigation bar.

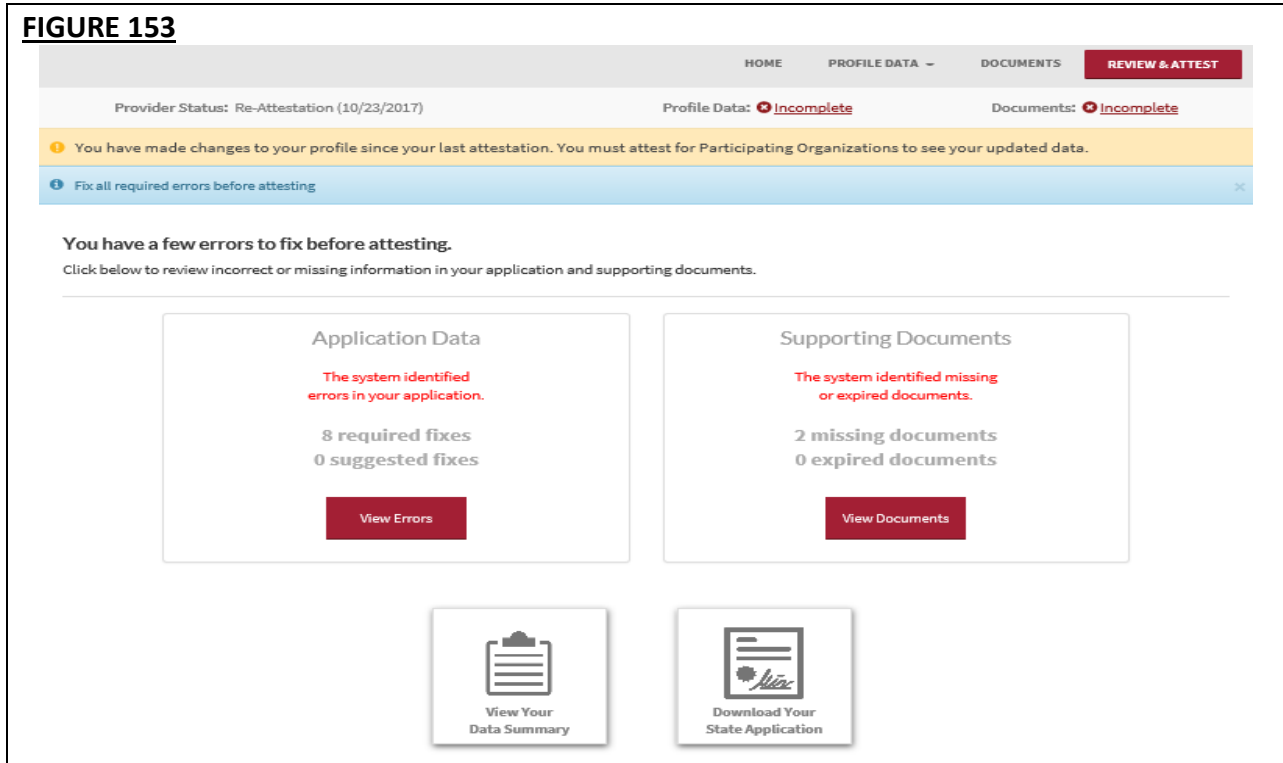

**FIGURE 152**

On the Review screen, there are four areas you can access to review your data.

1. **View Errors** – Click here to address any errors you need to fix within your data profile.
2. **View Documents** – Click here to see all supporting documents uploaded into your data profile, and any missing documents needed to complete your profile.
3. **View Your Data Summary** – Click here to view a PDF summary of your data profile.
4. **Download Your State Application** – Click here to generate a replica of any state specific application applicable to your practice state(s).

**FIGURE 153**

**Correct Errors**

The “Correct Errors” screen will highlight any required or suggested fixes you may need to make to your data profile.

**Tips:**

- When you click on a required or suggested fix, the system will direct you back to the applicable section to make the required changes.
- It is recommended that you also correct any suggested fixes to ensure your data profile is as complete and as accurate as possible for health plans accessing your data.

At the top, navigation links for HOME, PROFILE DATA, and DOCUMENTS are visible, along with a red 'REVIEW & ATTEST' button. Below the navigation, the user's status is shown as 'Re-Attestation (10/23/2017)'. The 'Profile Data' and 'Documents' sections are both marked as 'Incomplete' with red error icons. A yellow warning banner states: 'You have made changes to your profile since your last attestation. You must attest for Participating Organizations to see your updated data.' Below this, a blue information banner says: 'Fix all required errors before attesting'. The main content area features a heading: 'You have a few errors to fix before attesting. Click below to review incorrect or missing information in your application and supporting documents.' Two large white boxes provide details on the errors: 'Application Data' shows '8 required fixes' and '0 suggested fixes', while 'Supporting Documents' shows '2 missing documents' and '0 expired documents'. Each box has a red 'View Errors' or 'View Documents' button. At the bottom, there are two icons: 'View Your Data Summary' (a clipboard icon) and 'Download Your State Application' (a document icon with a signature).

## CHAPTER 6: Uploading Supporting Documentation

### Uploading Documents

To complete your data profile, you will need to upload into CAQH ProView any applicable supporting documents. CAQH ProView does not support faxing of supporting documents.

Here are the steps on uploading supporting documents on the Documents section:

1. Scan and save your document (if needed). Please make sure the document is in PDF, TIF, JPG or JPEG format for it to be accepted into the system.
2. Log in to CAQH ProView using your username and password.
3. Click the Documents link on the top navigation menu to go the Documents section. Any missing documents will be shown on this page.
4. Be sure to select the appropriate document name or document type when uploading documents. Each document must to be uploaded separately.

**FIGURE 158**

The screenshot shows the 'DOCUMENTS' section of the CAQH ProView interface. At the top, it displays 'Provider Status: Re-Attestation (10/14/2015)', 'Profile Data: Complete', and 'Documents: Complete'. Below this, the 'DOCUMENTS' heading is followed by instructions: 'The documents that support your CAQH ProView profile are listed below', '- Required documents are indicated with a red \*', '- Highlighted rows require your attention.', and '- Please upload one document into each slot. Make sure that the document you upload corresponds to the document type listed in the Document Name column.' There is also a link for more information and a note that '\*' indicates required documents.

The 'LIST OF DOCUMENTS' table is as follows:

Document Name	State	Uploaded Date	Expiration Date	Status	Document Actions
* Application Release		06/10/2015		Approved	Delete
Certificates of Completion (Med School, Internship etc.)		09/13/2012		Approved	Delete   Replace

Below the table, there is a dropdown menu labeled 'Select document type' and an 'Upload' button. A note states: 'Upload any document you want to add to your list. This is an optional section.'

5. Click "Upload". Click "Browse" to select a file for upload. Then, click "Upload".
6. Your uploaded documents can be viewed on the "List of Documents" found on the upper portion of the same page.

7. Recently uploaded documents will show as “Received.” Once the document is reviewed by CAQH and accepted, the status will change to “Approved”. All documents may be viewed regardless of the status.
8. You will have to click the document name link to be able to view the document. You may also “Replace” an existing document, or to “Delete” a document if necessary.

Here are examples of supporting documents you may need to submit for your application:

- Drug Enforcement Administration (DEA) Certificate
- Controlled and Dangerous Substances (CDS) Certificate
- State medical license(s)
- Malpractice insurance policy face sheet
- A signed Authorization, Attestation, and Release form.

**Authorization, Attestation, and Release Form (AAR Form)**

When you initially complete your data profile and attestation, a signed Release form is required for your data profile to be complete.

To submit a Release form, you need to perform the following steps:

1. The Authorization, Attestation, and Release (AAR) Form applicable to your practice state is displayed in the Documents section. The AAR will appear as “missing” if one is not presently attached to your profile.
2. Sign the form and indicate the date it was signed. **Note:** The signature on the initial AAR form should be a wet signature. Stamped or electronic signatures will NOT be accepted.
3. Signed AAR form must be submitted within 120 days from the signature date. If the AAR form’s signature date is greater than 120 days, it will NOT be accepted by CAQH.
4. Upload the form to CAQH ProView.

**Failed Documents**

CAQH will review all submitted supporting documents for accuracy within approximately 48 hours upon submission. A document may fail for the following reasons:

1. Illegible – the document is not clear enough to be read.
2. Not compliant – the document may be missing a date, may be missing a signature, or more than one document may have been included within the same file.
3. Ineligible – the document submitted may have an expired date or does not correspond to the document type selected. For example, if you upload a license to a “Professional Liability Insurance” document type, the document will fail. You will need to upload the license using the “State License” document type.

**Note:** Signed supporting documents must be submitted within 120 days of the signature date. If a supporting document’s signature date is greater than 120 days, it will not be accepted by CAQH ProView.

**North Carolina Providers**

CAQH ProView requires different North Carolina State Release forms for each authorized Participating Organization.

- o If you have authorized individual organizations, you are required to upload a North Carolina State Release form for every health organization that you have authorized.
- o If you have selected global authorization, which authorizes any organization who adds you to their roster, a North Carolina State Release form is required for every health organization that has added you to their roster.

**FIGURE 161**

## Healthcare Organization Authorization

### Overview

Healthcare organizations using CAQH ProView request access to your self-reported information to support their internal processes, such as credentialing, contracting, managing provider directories and claims processing. By your selections below, you are granting these organizations access to your self-reported information.

At this time, the following organizations have already requested authorization to view your CAQH ProView self-reported information:

Organization Name
ProNet/Aetna, Aetna
Managed Health Network Inc
Blue Cross Blue Shield of North Carolina

- If you are new to CAQH ProView and practice in North Carolina, you will be required to upload a separate, specific State Release form for each organization you have authorized. You must download the specific form, sign it, and upload it in CAQH ProView.
- If you have initially attested and have already uploaded at least one State Release form, your existing releases will remain in the documents section. However, you will see new slots for “missing” State Release forms. There will be one missing slot for each organization you have authorized.
- Click the ‘Download’ button corresponding to each of the missing State Release forms. The number of North Carolina State Release forms available for download depends on the number of POs who have added you to their roster or the POs you have individually authorized. These State Release forms will be pre-populated with the PO name.
- Sign the State Release forms, indicate the date the forms were signed, and upload in the CAQH ProView Documents section by clicking the ‘Upload’ button corresponding to each of the missing documents.
- The ‘Missing’ status will disappear after you have uploaded these documents.

## CHAPTER 7: Importing Data from the Practice Manager Module

If your practice has an office manager or clinic administrator who assists with gathering information for credentialing or other administrative purposes for multiple providers, the [CAQH ProView Practice Manager Module](#) may facilitate your data entry process. Data that is the same for multiple providers (e.g., clinic name, address and phone number) can be entered once by a practice manager, rather than having to be entered repeatedly for each individual provider.

Once a practice manager enters this information for you into the CAQH ProView Practice Manager Module, the practice manager will “export” the data, i.e. transfer the data, to your data profile. You will have the option to view this data and choose to import the data if you desire.

The sections that a practice manager can export to you include:

1. Personal information
2. Professional IDs
3. Education
4. Professional training
5. Specialty
6. Credentialing contact
7. Practice location
8. Hospital affiliations
9. Professional liability insurance

At the top of each of these sections, you will see an “Import” button. If there is data available to you to import into your data profile, this “Import” button will be active and available for you to select to review the data that was entered for you by a practice manager. You can either choose to import the data as a new set of information or replace an existing set of data within the applicable section.

**FIGURE 167**

The screenshot displays the CAQH ProView Provider User Interface. At the top, it shows 'Provider Status: Re-Attestation (11/13/2015)', 'Profile Data: Complete', and 'Documents: Incomplete'. The main content area is titled 'PERSONAL INFORMATION' and includes a sidebar with navigation options: PERSONAL INFORMATION, PROFESSIONAL IDS, EDUCATION, PROFESSIONAL TRAINING, and SPECIALTIES. The 'PERSONAL INFORMATION' section is expanded, showing 'Provider Info' and 'Name' fields. The 'Provider Info' section includes 'Provider Type' (Medical Doctor (MD)), 'Practice Setting' (Inpatient/Outpatient or Outpatient Only), and 'Primary Practice State' (CA). The 'Name' section includes 'First Name' (Diane), 'Middle Name' (Jones), and 'Last Name' (Hall). A red box highlights the 'Import' button in the top right corner of the 'PERSONAL INFORMATION' section.

### **Drag & Drop Functionality**

When you click on “Import”, the “Select Information to Import” screen will present. You will use a “drag & drop” functionality to import your data. Drag and drop is a pointing device gesture in which you can select the data to be imported by "grabbing" it and dragging it into your data profile. Here is an example of professional liability information entered by a practice manager that is available for import.

**FIGURE 168**

To add information to your data profile, click on the box containing the information and drag the box from the right to the left side of the screen.

- By hovering over the box over information you already have in your data profile on the right side, you can overwrite and replace the information. The system will confirm that this is what you would like to do.
- You can click on “Reject” if you do not wish to import the data into your data profile.

## CHAPTER 8: Completing Your Attestation

### Attesting

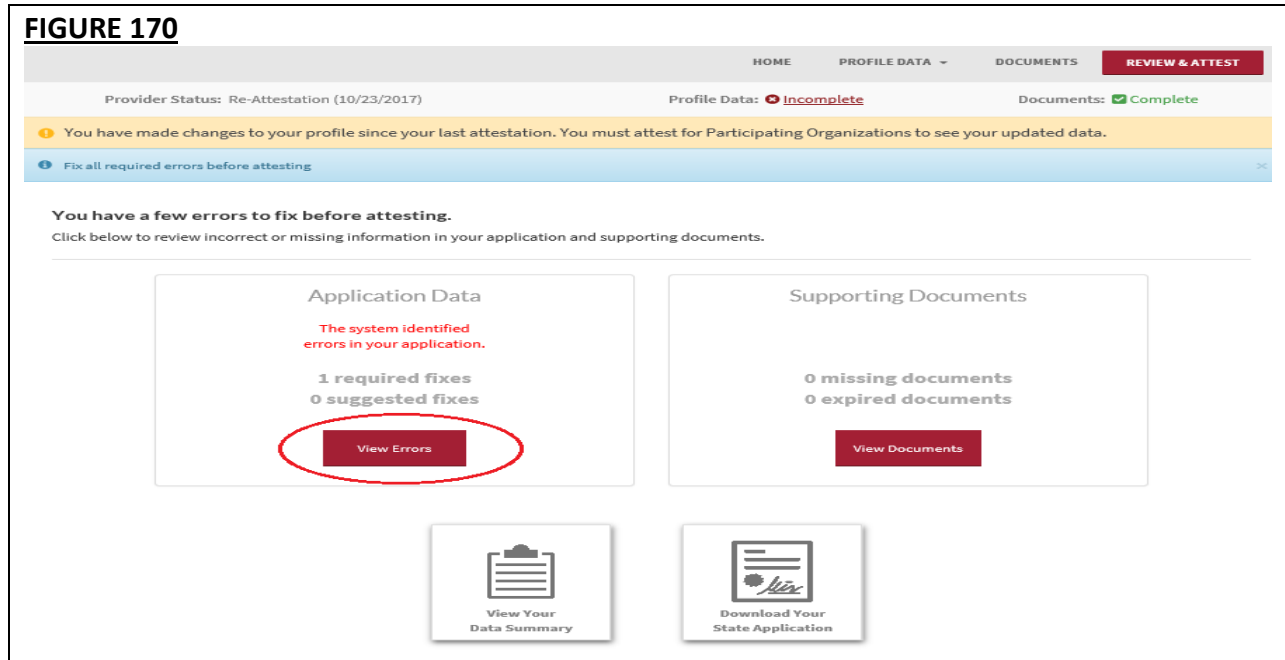

Submitting your attestation is required to complete your data profile. This step allows you to make a final review of your information and to attest to its accuracy. Click on “Review and Attest” from the top navigation bar to begin the process.

**FIGURE 169**

If there are required fixes on your profile, you will be directed to this page. This page also shows any missing or expired documents. You need to correct all the errors before you can complete the re-attestation. Click the View Errors button.

### Diane, you are ready to attest!

Click Attest to certify that you have carefully reviewed all information contained within your CAQH ProView Profile and that all information provided by you in the profile is true, correct and complete to the best of your knowledge. You also acknowledge that your CAQH ProView Profile will not be considered complete until supporting documentation and properly executed Authorization, Attestation and Release Form is remitted. Once you attest, you can go to the Documents page to upload your supporting documents.

I understand and agree that, as part of the credentialing application process for participation, membership and/or clinical privileges (hereinafter, referred to as "Participation") at or with each healthcare organization indicated on the "List of Authorized Organizations" that accompanies this Provider Application (hereinafter, each healthcare organization on the "List of Authorized Organizations" is individually referred to as the "Entity"), and any of the Entity's affiliated entities, I am required to provide sufficient and accurate information for a proper evaluation of my current licensure, relevant training and/or experience, clinical competence, health status, character, ethics, and any other criteria used by the Entity for determining initial and ongoing eligibility for Participation. Each Entity and its representatives, employees, and agent(s) acknowledge that the information obtained relating to the application process will be held confidential to the extent permitted by law. I acknowledge that each Entity has its own criteria for acceptance, and I may be accepted or rejected by each independently. I further acknowledge and understand that my cooperation in obtaining information and my

### **Re-Attesting**

Re-attestation is required every 120 days (180 days for Illinois providers) in CAQH ProView to ensure your data is maintained and accurate for health plan use. To complete your re-attestation, follow these steps:

1. If you have updates to make to your data profile, click on “Profile Data” from the top navigation bar and then the applicable section to update any necessary information in your data profile.
2. If you need to upload any updated supporting documentation, click on “Documents” from the top navigation bar to upload your documentation.
3. Once you have updated any applicable information or supporting documentation, click on “Review and Attest” from the top navigation bar to begin the re-attestation process.

**FIGURE 174**

On the Review screen, you can view if any required fixes or supporting documents need attention.

**Note:** If the PLI and/or State License have expired, you will be prompted to update the expiration date and other relevant details on your profile before you can attest. Once these steps are completed you will be able to attest.

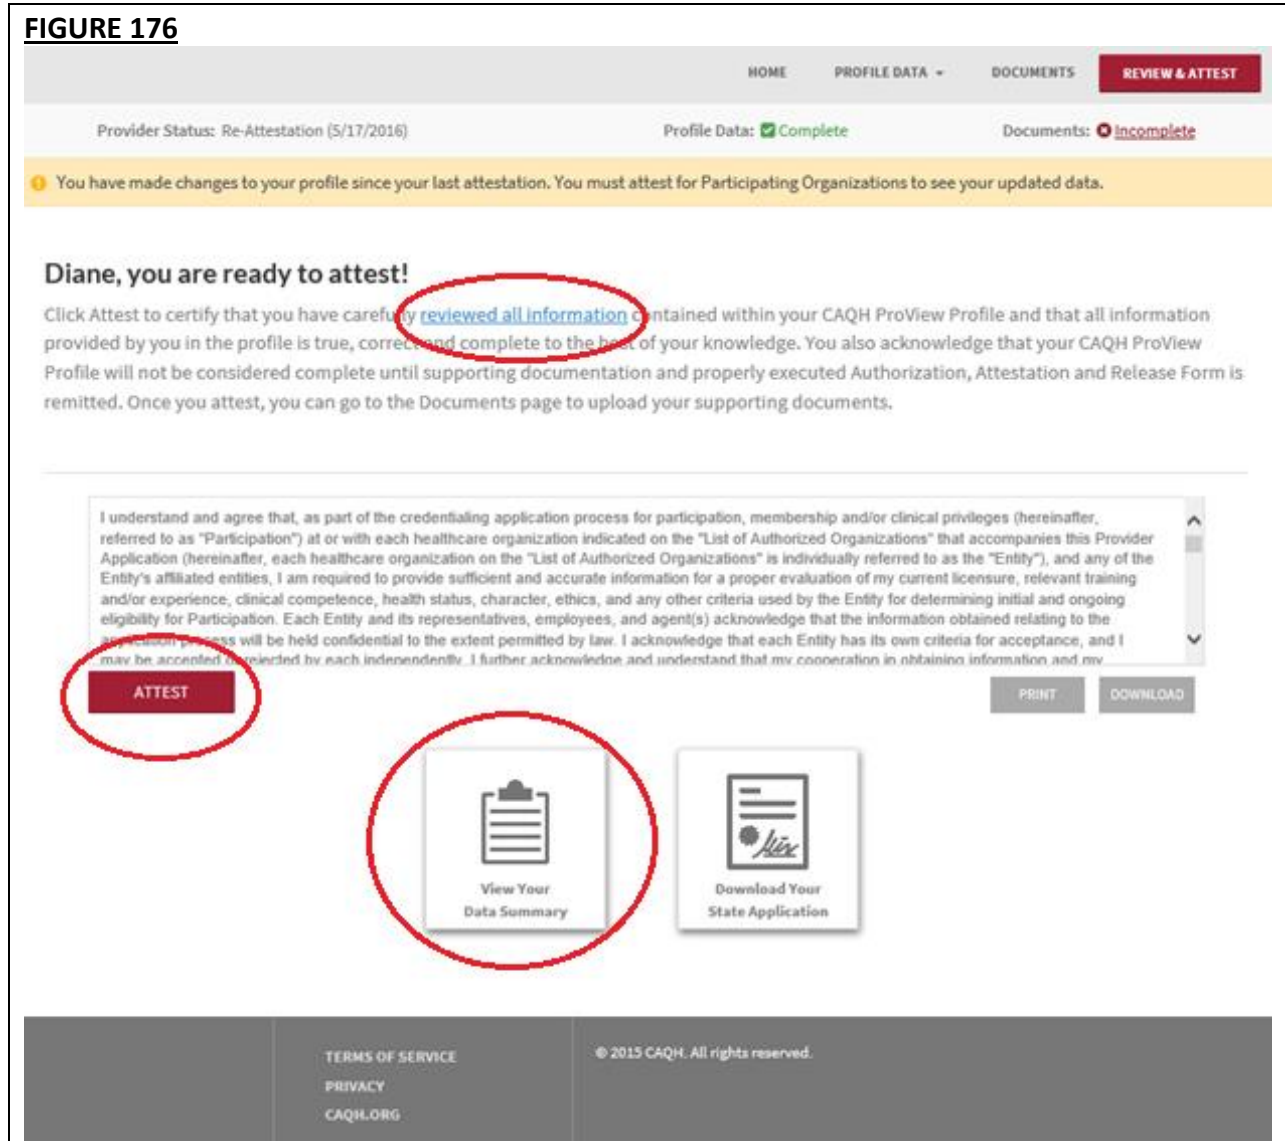

Correct all the required fields by clicking View errors.

**FIGURE 175**

The screenshot displays the 'REVIEW & ATTEST' section of the CAQH ProView interface. At the top, navigation links include HOME, PROFILE DATA (with a dropdown arrow), DOCUMENTS, and REVIEW & ATTEST. Below the navigation, the user's status is shown as 'Provider Status: First Provider Contact (9/25/2017)'. The 'Profile Data' status is 'Incomplete' (indicated by a red 'x' icon), and the 'Documents' status is also 'Incomplete'. A blue banner with a white 'x' icon in the top right corner reads 'Fix all required errors before attesting'. Below this, a message states 'You have a few errors to fix before attesting.' and 'Click below to review incorrect or missing information in your application and supporting documents.' Two main boxes are presented: 'Application Data' on the left, which reports 'The system identified errors in your application.', '2 required fixes', and '0 suggested fixes', with a red 'View Errors' button; and 'Supporting Documents' on the right, which reports 'The system identified missing or expired documents.', '2 missing documents', and '0 expired documents', with a red 'View Documents' button. Below these are three icons with labels: 'View Your Directory Data' (person icon), 'View Your Data Summary' (clipboard icon), and 'Download Your State Application' (document icon with a signature). The footer contains 'TERMS OF SERVICE', 'PRIVACY', 'CAQH.ORG', and '© 2015 CAQH. All rights reserved.'

Once all the fields are filled out or corrected, the following screen will display. You are now ready to complete your re-attestation. If you wish to review your data summary, you may click the link for “reviewed all information” or Click the View Your Data Summary” found below the page. Then click Attest.

### **Re-attestation Reminder Emails**

Re-attestation is required every 120 days (180 days for Illinois providers) in CAQH ProView to ensure your data is maintained and accurate for health plan use. CAQH Proview will email you to remind you when you are due for re-attestation. System automated generated emails will be sent to your primary method of contact email, and if on file the PMOC CC1 and PMOC CC2, at the following intervals (message frequency and timing differs for Illinois providers):

1. 15 days prior to expiration
2. 10 days prior to expiration
3. 5 days prior to expiration

If no re-attestation has occurred, a provider will be put in “Expired” status on the day after the re-attestation was due. Providers in expired status will receive the following notices:

1. Day after provider is placed in expired status
2. 14 days after expired
3. 28 days after expired
4. 42 days after expired – final notice

Verify your primary method of contact email on the Personal Information section. It is important to keep this email accurate and current so that you receive these important messages. You also can enter two additional email addresses in this same section (PMOC CC1 and PMOC CC2) that will be copied on the system generated messages.
